

OPEN LETTER

TO

MR. AMEEN JOWAHIR

&

HIS ACOLYTES

FROM HAZRAT MUHYI-UD-DIN MUNIR AHMAD AZIM

In the Name of Allah, The Most Gracious, The Most Merciful

وَلَا تَرْكَبُوا إِلَى الَّذِينَ ظَلَمُوا فَمَا تَمْسِكُ النَّارُ وَمَا لَكُمْ مِنْ دُونِ اللَّهِ مِنْ أَوْلِيَاءٍ ثُمَّ لَا تُنصَرُونَ ۝

And incline not toward those who do wrong, lest the Fire should touch you, and you have no protectors other than Allah, nor you would then be helped. (11:114)

أَلَيْسَ اللَّهُ بِكَافٍ عَبْدَهُ وَيُخَوِّفُونَكَ بِالَّذِينَ مِنْ دُونِهِ وَمَنْ يُضِلِلِ اللَّهُ فَمَا لَهُ مِنْ هَادٍ ۝

Is not Allah sufficient for His servant? And they seek to frighten you with those besides Him; and whomsoever Allah makes err, there is no guide for him. (39: 37)

A man has since 1998 started a new religion in the Islamic realm of the Jamaat of the Promised Messiah Hazrat Mirza Ghulam Ahmad (on him be peace). It would be interesting to detail his life achievements as a so-called Amir of the Ahmadiyya Muslim Association.

This new religion is called “Fearing Ameen Jowahir, the so-called Amir of Mauritius more than Allah in the name of Islam Ahmadiyyat”. People would be somewhat quizzical as to what I mean by this O so new religion! But alas it is the true state of Ahmadiyya Jamaat in Mauritius. Fearing a so-called Amir has taken precedence over the fear of Allah and sticking to the commandments of Allah.

AMEEN JOWAHIR THE SO-CALLED AMIR: A PORTRAIT

Ameen Jowahir has since long worked for the Ahmadiyya Muslim Association, holding several duties but yet his activities were not so glorious! He became Amir in 1998, taking hold of the seat of authority preceding the 9-year Amarat of Mr. Zafrullah Domun. Now, we can say that power either changes the colour of a man, or render manifest his true colours. We can say of Mr. Ameen Jowahir that his true colours got manifested. Jealousy and inferiority complex rendered him weak in decision-making and powerful in treacheries, backbiting, and organising evil plots against those who were a menace to his new-found popularity. What popularity!

THE DIVINE MANIFESTATION: A NEW BEGINNING

I was still working for the Ahmadiyya Muslim Association when slowly but surely, fear of the Amir of the time got precedence over fear of Allah and abiding to the laws of the Quran. Fear of Khalifa got slowly anchored in the hearts of people through the pathetic attempts of the so-called Amir Jamaat to make the people do things which he wanted them to do. In a nutshell, taking the Khalifa’s name as pawn in his hands, as a joker, he played the game of his life, and in the process he let discover his true colours in the name of greed for power. Everything that happened, the popular excuse was that it is the Khalifa who has said this and that; Ameen Jowahir playing big behind the scenes.

Whenever, the so-called Amir has to enter the Masjid or any other place where there was a function, everybody was forced to stand up to greet the “Amir”, as if he was some shabby star thirsty for stardom

and fame. Everybody was canvassed to think and feel that “Khilafat and Ameen Jowahir are their life”! Such awe reached such heights that Ameen Jowahir became the doer of the destiny of the Ahmadi Muslim families in the Ahmadiyya Muslim Association in Mauritius. His was a big game played with the assistance of the so-called “high-profiled intellectuals” around him.

When the divine manifestation began pouring down like a soft and delightful blessing on the Jamaat Ahmadiyya through the advent of this humble self, secrets were revealed to make known the evil-plots of Ameen Jowahir to discredit me in the eyes of the then fourth Khalifa of the Ahmadiyya Community, Hazrat Mirza Tahir Ahmad (may Allah forgive him). Since 1987 I had been working for the Jamaat, and afterwards I decided to do some personal dawa/ tabligh for the pleasure of Allah. The efforts were appreciated by the then Amir Mr. Zafrullah Domun, but later on when Ameen Jowahir took reign, jealousy crept into his (Ameen Jowahir) heart when he saw the special affection which the Head of the Ahmadiyya Community had for me. Munir Ahmad Azim became the favourite among the missionaries of the Jamaat even though he was not graduated from any Jami'ah Colleges. These feelings led Mr. Ameen Jowahir to make plots of all kind to discredit me in the eyes of the Khalifa.

But the plots made transformed into such storms of hatred that without me knowing, while I was still in Rodrigues Island, plots were made where people were hired to throw rocks through the window where my bed was found. But, as Allah is my Greatest Protector and Guide, He made me the night before this incident happened to change the position of my bed before going to sleep. To my great shock, very early the next day, I found that my window had been broken and there were pieces of glass and rocks in the room, and in the place of my bed (before I change it the night before) the bits of glasses were more manifest; and through it all I slept and did not hear even a sound of crackling! 2 Ahmadis also witnessed this incident for they were at the time staying in the Centre itself. Morning brought bad news, and I knew for certain that my life was in danger. Rumours after this incident spread like fire around the Jamaat that Munir Azim prophesied that the fourth Khalifa shall die on a 20th April (saying that I said that my watch stopped on a 20th April). This was utterly false, but Allah in His immense knowledge made manifest what their tongue spread and soon it was on a 19th April (in the year 2003) that the Khalifa died, thus as a warning to the people that what their tongues professed, actually materialised and though it was not on a 20th April, but Allah wanted to show His Might and warning by nearing the date to that of what they used to professed! I must precise that when I was in Rodrigues itself, that a private meeting was held (25 December 2000) in which Mr. Zafrullah Domun (even though I forbade him to do so) exposed to the Amila members the several divine revelations which I got.

Thus, during my stay in Rodrigues itself, Mr. Ameen Jowahir plotted to expel me from the pale of Ahmadiyya Muslim Association, to humiliate me and create hatred for me in the hearts of people, including my own blood-relations. But unfortunately all of them sided with their so-called Amir with the exception of my pious mother whom Allah has blessed with revelations also and my brother Azize Azim (now deceased – May Allah enlighten his soul forever). Very often she gets true dreams and visions, with Allah showing her what a special son she got. Her support of me and the cause of Allah is unwavering. Alhamdulillah. (Soon a book on “My Mother” will be available, Insha-Allah.)

POISONING THE MIND OF PEOPLE AND PREACHING OUTSIDE THE PALE OF ISLAM

It became imperative for the so-called Amir and his surrounding to label Munir Azim and his followers as rebels and *fitna* doers. This became possible for the cunning and evil Ameen Jowahir who against all odds fabricated lies over lies, such a web of lies which pictured him as a hero and Munir Azim as a rebel against the system of Khilafat. Why that? Only because I said that Allah is talking to me and is giving me revelations.

Divine revelations became his enemies but Allah the Most Powerful has given me several revelations about what he had done, and also with others who are innocent.

Allah's Messenger (peace be upon him) said, "If any ruler having the authority to rule Muslim subjects dies while he is deceiving them, Allah will forbid Paradise for him." (Bukhari)

Narrated by Ma'qil: I heard the Prophet (peace be upon him) saying, "Any man whom Allah has given the authority of ruling some people and he does not look after them in an honest manner, will never feel even the smell of Paradise." (Muslim)

The words of Ameen Jowahir have now become the words of the Quran in Ahmadiyya Muslim Association. How dreadful! Since the beginning of the divine manifestation, boycotts and persecutions of all kind have been levelled against me and my disciples, be it in the time of Jamaat Ahmadiyya Al Mouslemeen and even now in the Jamaat Ul Sahih Al Islam.

Even if the words which Ameen Jowahir is saying are dirt (no other polite words are right enough to describe his words and actions), they blindly follow his words as if it were godly words descending from the heavens for them. People may see me as a person without manners and way of speaking, but when the truth about an enemy of Allah and that of His Messenger is revealed, it has to picture the person as he is without any exaggeration. The fact that Ameen Jowahir is a cunning double-faced person is a reality; with one person talking sweetly about me and with another piercing the dagger of hatred in my back.

When the strict orders of Boycott have been issued by this so-called Amir, people, instead of seeking the guidance of the Holy Quran, they abided to the words of Ameen Jowahir, even if these words are completely against the teachings of the Holy Quran and against the sayings and practices of the Holy Prophet Muhammad (peace be upon him). This so-called Amir issued orders not to bid Salaam or to reply to the Salaam of the "Fitna doers", not to invite them for family functions like weddings, funerals etc. Total boycott is to be applied. When he first issued these orders, people and families used to obey to the letter these unislamic orders, without seeking guidance from the Holy Quran and Hadiths. Moreover, when he (the so-called Amir) issued the order not to bid Salaam, it so happened that one day, I came face to face with him, and in his panic at seeing me bid me Salaam. Now, now, Mr. Ameen Jowahir, you issue a strict order not to bid the "fitna-doer" Salaam, but yet you, yourself bid Salaam. What an order!

Then slowly, through the years, you change the initial orders which supposedly come from the fourth and fifth Khalifa of the Ahmadiyya Muslim Association and you say that now, families can invite their rebel families in times of festivities only **at their homes**, and **only for food, not Islamic rites** (Nikah, and even funeral rites etc.). But when a relative invites the "fitna-doer" to come to her place for an engagement ceremony to make duaah for the fiancés, the so-called Amir forbid the families to invite this humble self and my family to participate in duaahs even at the home of that relative! Now, what game is Ameen Jowahir playing! Is he playing Allah or being Khalifa in Mauritius? Do all these orders really come from the fifth Khalifa Hazrat Mirza Masroor Ahmad Saheb, a Khalifa who was supposed to implement the Islamic teachings and establish order in the Ahmadiyya Community? Now, my biggest question is to the fifth Khalifa of the Jamaat Ahmadiyya, has he really given all these unislamic orders to his so-called Amir Jamaat Mauritius or was he unaware of all these happenings?

I demand a clear answer from the fifth Khalifa Hazrat Mirza Masroor Ahmad Saheb; if he has really issued such orders, then let him make me (by email and letter – he knows very well my address) and the world know about this, that he as a Khalifa had given these boycott orders to his so-called Amir Mauritius not to invite Munir Azim and his followers in weddings, funerals, and other functions which are supposed to remain within the scope of families' privacy. Now, we see the so-called Amir poking his nose into the private affairs of families in Ahmadiyya Muslim Association to

issue them strict orders whom to invite and whom to boycott or invite just at home for food. What kind of invitation is this? Have the world nowadays ever witness such happenings in families' private life? If there is 2000 or 3000 Ahmadis in Mauritius, will the so-called Amir go individually from house to house to canvass the people not to issue invitation to Munir Azim and his family and Jamaat? I demand a clear explanation from the fifth Khalifa, if he feels that he is a true Muttaki with nothing to hide!

Special reunions are organised with the families where there would be weddings (especially my blood-relations), and special advices are issued not to invite this humble self and my whole true family (My Jamaat) to Nikah ceremonies, but only to invite them for dinner or lunch at the house of festivities. Tamils, Hindus, Christians and all religions who are against the teachings of Islam are invited to assist the most important part of a wedding (where the newlyweds receives the prayers of guests and families), but Munir Azim and his followers are treated as worst of peoples, worst than those people of other religions and invited only for food. Where have the teachings of Islam gone? Is it the teachings of Islam or the teachings of Ameen Jowahir? Does a true Momin act like this? A true Momin must never fall into the trap of oppressors (evil leaders) and obey to the letter their so-called Islamic speech. Obeisance must be paid in priority to Allah, to His divine commandments established in the Holy Quran. A true Momin must not be afraid of anyone except Allah and must be grateful to Allah firsthand. A true Momin must need that only Allah loves him or her and be with him or her.

The Prophet (peace be upon him) said: "Allah does not punish the individuals for the sins of the community until they see the evil spreading among themselves, and **while they have the power to stop it, do not do so.**" (Ahmad)

Narrated by Hazrat Umm Salamah (May Allah be pleased with her): "The Messenger of Allah (peace be upon him) said: **In the near future there will be Amirs (rulers)** and you will like their good deeds and dislike their bad deeds. One who sees through their bad deeds (and tries to prevent their repetition by his hand or through his speech), is absolved from blame, but one who hates their bad deeds (in the heart of his heart, being unable to prevent their recurrence by his hand or his tongue), is (also) safe (so far as God's wrath is concerned). **But one who approves of their bad deeds and imitates them is spiritually ruined...**" (Muslim)

As they are going against the teachings of the Holy Quran, I must fight them as the Khalifatullah of this era because if the power of these kinds of people who are double-language (hypocrites) are not broken, they will create all the more disorder in the Jamaat Ahmadiyya and in Ummat  Muhamadiyya (peace be upon him) and will sever all the more all ties of kinship and trample under their feet all rightful claims. If I leave him and his acolytes like this or refuse to fight with these hypocrites now, Jamaat Ahmadiyya will continue to suffer from disruption and disintegration and forces of evil would stalk in the Jamaat Ahmadiyya. Ameen Jowahir and his friends do not ponder over the Quran and do not try to understand and realise the real purpose of the teachings of Islam; they lose their spiritual sight and hearing and begin to find fault with the other people who follow the Quranic teachings. These kinds of people, never like that any good should be sent down to the faithful from their Lord. A hypocrite is too wily a person to burn his boats. He faces both ways. He never talks straight and always indulges in ambiguous and equivocal speech so that it conveys one sense to one person and quite another sense to another person. It is to this crooked manner of speech that hypocrites adapt to and adopt. Insha-Allah, Almighty Allah will soon expose their double-facedness.

The sun shines for everyone; be it for believers, unbelievers, atheists, animals, fruits trees, vegetables, and even for the wild weeds and small insects. Allah does not boycott when He gives these favours (sun, air, food, shelter etc.) to His creatures. The rain falls for all, not just for the good trees but also for the wild weeds. One must recall history and bear in mind that many a small army (of believers) have overcome

great armies (of infidels). All power is with Allah, and Allah helps the pious, those close to Him in love, fear of Allah and obeisance to Him.

When a non-Muslim invites for a wedding at his place, his wedding invitation is complete with religious wedding rituals and dinner or lunch included, for alas for Ahmadi Muslims, they have stumbled lower than animals by putting aside the teachings of Islam. Instead they have given non-Muslims more importance than Muslims who believe in "*Laa Ilaaha Illallah Muhammadur Rasullullah*".

No, dirty-minded Ameen Jowahir! Allah will not let you go easily with spreading false notions of Islam and the duties of an Amir. In the capacity of an Amir, you should have been a gatherer and not a divider; a good-natured person and not an evil-plotter and real fitna-doer!

By the grace of Allah we are not thirsty of wedding invitations or being invited for lunch, dinners or Walima feasts, even by our blood-relations. No, by the grace of Allah, we are not without food and shelter. But your face as a schemer must be revealed so that people with real intelligence, those who are truly God-fearing may come to know your true nature, and may not become like you. For this era you have become the example of the prototype of man that one must at all cost not try to imitate if he or she wants to reach the proximity of Allah. You have become the example not to follow! Indeed your name will be mentioned till the Day of Judgement as in line with those of enemies of humble servants of Allah.

The Holy Prophet (peace be upon him) continued to say: "By Allah you have to enjoin good (Maroof) and forbid evil (Munkar), and hold against the hand of the unjust ruler (Zalim), and force him on the truth strongly, or you have to limit him to the truth".

From this Hadith, Allah and His Prophet (peace be upon him) has prohibited us from remaining silent against the evil ruler or Amir, and they commanded us to remove it. Allah commanded the Muslims to enjoin good and deny evil, and made it a duty upon them to do so. Allah said; 'Let it be from among you a group who call to the good, enjoin good and deny evil'. Allah also said: 'You have been the best nation (Ummah) brought to the people, because you enjoin good and deny evil'. (Musnad of Ahmad)

There exist two types of people: the intelligent and the intellectual. The intelligent is someone who, even if he is not able to read and write, is deeply connected to Allah, feeling real fear and love of Allah and acting righteously upon every divine commandment. The intellectual is he who may be well-versed in the outward form of academic and spiritual education but he may be devoid of real faith and comprehension given to the intelligent ones. That is why Allah mentions that it is the "Ulal-al-Baab" (intelligent ones) and "Muttaquun" (God-fearing people) who shall understand and comprehend fully His divine commandments.

But there exist also people who may be poor in academic education and yet be coupled with stupidity concerning the religion of Allah. This category of people not only lead themselves astray, but if they be at the head of a Jamaat, lead the Jamaat to confusion and sins with their being fully conscious of this!

Abdullah ibn Masood (May Allah be pleased with him) used to say: "Whoever aids an oppressor or taught him an argument to nullify the right of an ordinary Muslim, has drawn upon himself the anger of Allah".

Narrated by Abdullah ibn Abu Awfa: Allah's Messenger (peace be upon him) said, "Allah is with the Qadi as long as he is not tyrannical, but when he is, He departs from him and the Devil attaches himself to him." (Tirmidhi, Ibn Majah)

Thus, I demand Hazrat Mirza Masroor Ahmad Saheb, through his close officers-in-charge who are responsible to keep him up-to-date on events and news, to give clear explanations on all that which I have exposed in this OPEN LETTER today, and I warn his close officers and secretaries that if they do not

inform the fifth Khalifa Hazrat Mirza Masroor Ahmad Saheb about this, they would pay the consequences of their silence before Allah. Verily Allah is All-Seeing, All-Hearing.

If I have to detail Mr. Ameen Jowahir's true facets I would take aeons before completing dissecting him, this, especially in the face of the new divine manifestation of this era in the presence of a Messenger of Allah!

May Allah help the true Muslims to fight falsehood and oppression with all their might, and remain ever obedient to Allah and His Chosen Messenger in every era when Allah sends one to them for the reform of Islam and humanity at large. *Insha-Allah, Ameen.*
