In the Name of Allah, the Most Gracious, the Most Merciful

SPEECH OF THE KHALIFATULLAH HAZRAT MUNIR A. AZIM (atba)

On the Persecutions of the members of the Jamaat UI Sahih Al Islam in Kerala/Tamil-Nadu - India

(14 August 2013 ~ after Zohr prayers)

After reciting the Tashahhud, Ta'uz & Surah Al-Fatiha, Huzur (atba) greeted the members of the Jamaat UI Sahih Al Islam around the world and said:

It is both with pain and determination that I am addressing the world today, especially the mental torturers of the members of the Jamaat UI Sahih Al Islam who are hell-bent to keep acting like satans on the path of the true seekers of truth, to forbid them from following the way of Allah.

Three of our dear brothers from the border of Kerala & Tamil Nadu have entered into *Bai'at* with this humble self in the Jamaat UI Sahih Al Islam on Saturday August 10, 2013. Being Ahmadi Muslims and now Sahih Al Islam members, the Ahmadi leadership are striving to dissuade them from following the Messenger of Allah of this era, especially one of them who is presently undergoing duress and house arrest in the hands of his father-in-law, brother-in-law **(From the Kutty Family)** and the other local Ahmadi Muballighs and Mullahs who are in constant contact with the administration of the (so-called) Ahmadiyya Community in London. They are virtually making him a prisoner in his house and screening his

phone calls after learning that he had gone to our centre in Mathra, Kerala to enquire about the Khalifatullah and the Jamaat UI Sahih Al Islam. *Alhamdulillah, Summa Alhamdulillah*, this dear brother of mine became convinced about the truthfulness of this humble self and entered into *Bai'at* with this humble self in the Jamaat UI Sahih Al Islam. And now, panic is in the side of the Ahmadi of his locality, be it his close family members and members and leaders of the Ahmadiyya Association who have made it their vocation to convince him to renounce in pursuing the truth and from keeping himself attached to truth.

Bear in mind that Allah does not change the condition of someone unless the latter wants to undergo this change. Like usual, as is in their habit, taking the place of the other Muslims sects, persecutors of the Ahmadi Muslims back in the time of the Promised Messiah, Hazrat Mirza Ghulam Ahmad (as) and even till date, today's Ahmadiyya Association, both local (Kerala/Tamil-Nadu) and International (London) have become the top villains, detractors and evil-wishers of the lovers of truth. History is repeating itself, and they are marching towards becoming fully the enemies of Allah of this era. Bear in mind that the persecutors of the true servants of Allah have their place in hell unless sincere repentance is made and the condition of the evil-minded is changed into good.

I very well remember the expulsion letter that the *Wakil-e-Tabshir* of the Headquarters of the Ahmadiyya Association in London, who signed in the name of the fourth *Khalifa-tul-Massih* Mirza Tahir Ahmad wrote, wherein he stated that the fourth Khalifa said that never mind that two (persons) go away (that is, are expelled out of the *Nizam-e-Jamaat Ahmadiyya*), because instead millions shall come instead (that is, shall embrace Ahmadiyyat under Khalifa-worship system). Now, if we analyse these wordings carefully, then we will come to realise that the Ahmadis have disobeyed their Khalifa in that which they are giving “way much importance to Munir Azim and his Jamaat Ul Sahih Al Islam members”. Haven’t the fourth Khalifa say, let those two (referring to this humble self and Zafrullah Domun Sahib who at that time believed in the Manifestations which Allah poured down upon this humble self since the beginning) – let those two go, millions shall come...

So... why are they panicking? Why are they worrying and making all sorts of plans to handicap the Jamaat Ul Sahih Al Islam? To you your belief and to us ours! So where is the problem? Your deceased Khalifa had pronounced a judgement for you, the Khalifa-worship Ahmadis, won’t you implement his words? After all, it is him, the fourth *Khalifa-tul-Massih* who expelled this humble self from the *Nizam-e-Jamaat* and who is alleged to have said those wordings as his *Wakil-e-Tabshir* had written black on white.

Munir Azim and his Jamaat are to be ignored and you are to concentrate on your own activities, isn’t it? So why are you not doing so? Is Munir Azim such a formidable and an important man who represents a danger to your system of Khalifa-worship Ahmadiyyat that you absolutely need to crush him and his Jamaat? Bear in mind, I for one, have the duty as a Bearer of Glad tidings and a Warner to give you the Divine Messages and warn you of Divine wrath and punishment. So, I will continue to strive so that the Ahmadi Muslims and all other Muslims and humanity at large, the true ones get to receive the divine message and blessings which are attached to the verities of the Divine Manifestation of this era. You want it or not, but I, along with the true dedicators of Islam in the Jamaat Ul Sahih Al Islam shall continue to spread the divine light. If you are enraged, that is your problem and your loss, but you can never stop the march of truth from reaching its goal, you can never stop the Divine Will from being fulfilled!

So, Allah does not change the condition of a people unless the people want to undergo change, want to change their belief and renounce in Allah, His prophets and verities. And if Allah decrees a calamity for a community, there is no one who can prevent that calamity from striking, and they shall have no protection against Allah. Each time the Messengers of Allah came, the malefactors have caused havoc and strove to stop people from following Allah and His Messengers. These kinds of people, those who have a disease in their heart want that the people reject the messengers of Allah and mock him and side with them to speak ill of the messenger of Allah of their times. Allah (swt) gives only a prescribed little time, a deadline to the rejecters of faith, after which He seizes them severely and gives them great humiliation.

Those Ahmadi Mullahs who are harassing the members of the Jamaat Ul Sahih Al Islam in Kerala/Tamil-Nadu, whether they hail from Qadian or their headquarters in London, let me tell you that the evil plots that they keep hatching against the believers in the Divine Signs and Manifestation of this age are only for their idol in whom they take great pleasure and all their evil activities to stop the true seekers of truth from reaching their true Goal, that is, Allah and satisfaction of Allah in recognising, believing and obeying the Messenger of Allah of their time.

Allah (swt) says in the Holy Quran:

“Wa maa kaana li-rasuulin ayyatiya bi-aayatin illa bi-iznillah.”
(A Messenger cannot bring a sign (or a revelation) except with the permission of Allah)

Thus, Oh you the so-called Mullahs, tell your present so-called leader whom you take as a man of God to bring a sign from Allah or let him stand up and reveal the world a single divine revelation which he has personally received through the divine permission. Each time a Messenger of Allah comes in this world, they deny his words, messages which comes from Allah and they label him a liar, one who cannot hail from God.

Allah (swt) says in the Holy Quran:

“Qul kafa billaahi shahidam-bayni wa baynakum wa man ‘indahuu ‘ilmu-Kitaab”

(Say “Sufficient is Allah as Witness between me and you, and (the witness of) whoever has knowledge of the Scripture.”)

In any case, the duty of a Messenger of Allah is to give the divine message and it is Allah (swt) who shall bring all people to account after their reception of the message.

Since the creation of the earth, there have been those kinds of non-believers and evil plotters who keep struggling against the will of Allah and His Messengers. They strive to instil fear in the hearts of the seekers and even the accepters of truth, putting pressure on them and blackmailing them with wealth and family so that they may return back to their old beliefs. The Ahmadiyya Association has taken a similar stand. They have a so-called love for truth, a so-called love for Hazrat Muhammad (saw) and Hazrat Massih Ma’ud (as). Only on the lips, not acts! Had they truly loved the sublime, most beloved and last law-bearing prophet Hazrat Muhammad (saw), had they a true love for Islam and for the Promised Messiah (as), they would not have viewed with narrowed suspicious eyes the presence of a Khalifatullah (Caliph of Allah) and Muhyi-ud-Din (Reviver of Faith) among them. They would have welcomed the rain of mercy which Allah wants to pour down upon them, but unfortunately, they have barricaded themselves in their man-made temples of idols and mundane desires and bar their own path to salvation. They strive to make people, the Ahmadi people from listening to the divine message brought to you by the Khalifatullah of this age and make you fear losing friends and family and being expelled from the *Nizam-e-Jamaat* if ever you take the drastic step of joining the ranks of the Khalifatullah of this era. But let me tell you, Oh the true seekers of truth, in the path of Allah, especially in the times of a Messenger of Allah, Allah and His Messenger are to be given priority over all things and persons, be it your wealth and own blood relations. The Holy Quran is clear on the matter. In normal circumstances, the family and family ties are of paramount importance, but in the times of a Messenger of Allah, if these same family and family ties become poison for you, restricting you from Allah and His Messenger, then your absolute duty is to Allah and His Elect. Nothing must come between you and Allah & His Messenger. The life of this world is temporary whereas the hereafter is your permanent abode. Family is for one time but Allah is for all times.

Allah says in the Holy Quran:

Laatijidu qawmayy-yu’-minuuna billaahi wal-Yawmil-‘Aakhiri yuwaaad-duuna man haaddallaaha wa Rasuulahuu wa law kaanuuu ‘aabaaa-‘ahum ‘aw ‘ashiiratahum. ‘Ulaaa-‘ika kataba fii quluubihimul-‘iimaana wa ‘ayyadahum-bi-ruuhim-minh. Wa yudkhiluhum jannaatin-tajri min tahtih-‘anhaaru khaalidiina fiihaa.

Radi-yallaahu ‘anhum wa raduu ‘anh. ‘Ulaaa-‘ika Hizbullaah. ‘Alaa ‘inna Hizballaahi humul-Muflihuun.

(You will not find a people who believe in Allah and the Last Day having affection for those who oppose Allah and His Messenger, even if they were their fathers or their sons or their brothers or their family relations. Those - He has decreed within their hearts faith and supported them with spirit from Him. And We will admit them to gardens beneath which rivers flow, wherein they abide eternally. Allah is pleased with them, and they are pleased with Him - those are the party of Allah. Unquestionably, the party of Allah - they are the successful.)

Rabbuhum lanuhli kannaz zaalimiin
(We will surely destroy the wrongdoers (the oppressors).)

When the Ahmadiyya leadership has learnt that Ahmadi brothers are keen to recognise and accept the Divine Manifestation of this age, they have and are devising means and way to restrict those seekers of truth from accepting the truth. They have since long started this hate and extraction campaign to remove the new believers in the Khalifatullah of this age from the Jamaat Ul Sahih Al Islam. They are doubling, trebling their efforts to dissuade the seekers of truth from the Jamaat Ul Sahih Al Islam. And currently in Kerala, they are missing nothing to inflict mental torture to my new disciples and even my first disciples in Kerala. They are scheming, but those evil schemes are being made before the eyes of Allah, and despite the extent of their evil plans, as high as mountains, but in the blink of an eye Allah can reduce them and their plans to dust, and He can also open the hardest of hearts and convince them of the truthfulness of His Messenger. He can destroy the evildoers or turn in mercy to them if they repent sincerely.

Oh my disciples, my dear brothers, never give up hope. Have faith in the mercy of Allah. Surely, only the disbelievers lose hope in the mercy of Allah! Allah never let the true believers down and never let them lose their good rewards. By the grace of Allah, in the recent message which I sent you prior to your taking *Bai'at*, I have already told you all the trials that you shall have to face when you accept the Messenger of Allah in this era. **(View the Message (PDF): <http://www.jamaat-ul-sahih-al-islam.com/jusai2013/msgbaiat10aug13.pdf>)**

Oh you the wrongdoers, the so-called followers of the Promised Messiah (as), do not think that you have “carte-blanche” to do as you wish. Allah is witness to all the atrocities that you do in the name of Islam and as your identity as Ahmadi. Allah is not in a hurry to punish you. There is time to repent, but do not delay your repentance lest the divine punishment overtakes you from where you do not expect. And on the Day of Judgement, on the day when all eyes shall be transfixed, you shall not be able to do anything to save yourselves from the anger of Allah. His punishment shall be hurried on that day. Make sure that you do not encounter Qayamat on earth where divine punishment strikes you with afflictions and absolute death from all bearings.

The persecutions of my disciples and followers, each of these are fruits of their faith and a clear proof for the veracity of the Khalifatullah of this age. While others say that the door of prophethood has been closed, but the advent and presence of this humble self as the Khalifatullah of this age prove this saying as a figment of their imagination. The door of prophets in the Ummah of the Holy Prophet Muhammad (saw) shall remain open till the Day of Judgement. **This is a chain.** While Hazrat Mirza Ghulam Ahmad (as) came as Messiah and a non-lawbearing prophet in the Ummah of Hazrat Muhammad (saw) from within the Sunni circle, thereafter the prophet of Allah to come after him from within the Ummah of Hazrat Muhammad (saw) must come from his obedience/Jamaat (the Jamaat Ahmadiyya). Therefore, Allah sent this humble self in this era as the follower of both Hazrat Muhammad (saw) and Hazrat Mirza Ghulam Ahmad (as). And after me, inevitably the other one/s shall come from Jamaat Ul Sahih Al Islam and this shall keep on being in this way till the Day of Judgement.

In this era, we are getting the fruits and blessings of the apostleship of the Holy Prophet Hazrat Muhammad (saw) and the messiahship of Hazrat Mirza Ghulam Ahmad (as), for by the grace of Allah I am the Messenger of Allah of this era. Allah is verily pouring down His blessings in great quantity. In this era also, like in the past eras of messengers of Allah, the divine sign is that the true believers of the Divine Manifestation of this era must not at any moment have the fear of creatures in their hearts. Only the fear of Allah must pervade their life and they must be ready to sacrifice their life, wealth for Islam, the Sahih al Islam – the Jamaat which Allah has chosen for them in this era. Indeed, Allah has purchased from the believers their lives and their properties in exchange for Paradise. Therefore, gaining or attaining to paradise is conditional on the sacrifices which we impose on ourselves for the cause of Allah, to seek His pleasure and nearness.

Thus I address myself to the so-called Ahmadi Mullahs and enemies of the Jamaat Ul Sahih Al Islam; try as you may, use every modern science and technology as you deem fit according to your lowly thoughts, use any armament and put pressure on the believers as satanically possible, try to separate them from their spouses and near kin, but you shall do all these to your own loss, and shall contribute to the raising of the spiritual status and faith of the true believers of the Jamaat Ul Sahih Al Islam. As for the Truth Seekers who want to join the ranks of the Khalifatullah of this era, you shall not be able to stop the rising tide of believers who shall come Insha-Allah. You can do nothing to stop this spiritual revolution from happening. The truly sincere and whose hearts are thirsty of Allah and to keep company of the Messenger of Allah of this era, you can do nothing to keep them away from the divine truth. Nothing will come in the way of these sincere seekers of truth and subsequent believers. Bear this in mind, when you shall become a barrier to their faith, Allah shall remove the barrier which keeps you away from the fire of Hell, and thus no power can rescue you from the fire when Allah Himself is against you. Keep doing your lowly acts in the name of religion and Allah shall verily seize you for what you do. You may think that “*Why Allah is not then punishing me/us for what I/we are doing?*” Verily, the news of what you are inviting upon yourselves shall overcome you like lightning and there shall be no place for you to hide from the divine punishment. Those who are sincere and who are not weak of faith, it is them who shall keep being strong with every blow that you (the *Zaalimeen*) keep sending their way. You are the means for them to attain Paradise easily and making Allah most happy with them, and you are digging your own graveyards at the same time, be it in this world and the hereafter.

As the Khalifatullah of this era, I challenge you that nobody will be able to put a stop to the progress of the Jamaat Ul Sahih Al Islam, the Jamaat of Allah in the world, and despite the mounting persecutions and pressures, nobody can bar the true believers from attaining to their goal. Be it in India and elsewhere, you cannot stop the divine light from reaching the hearts of the true souls, thirsty of this light, and inevitably it is you the *Zaalimeen* who shall be vanquished and the victory of Jamaat Ul Sahih Al Islam shall be rendered clear. The sun and the stars can change their orbit, the earth can stop rotating but no man in the power of man can stop the march of the Jamaat Ul Sahih Al Islam towards victory. Beware of the divine wrath and punishment Oh those who keep planning for the destruction of the Jamaat Ul Sahih Al Islam, and those who are persecuting my disciples in Kerala/Tamil-Nadu. Your consequences shall be grievous if you persist in trying to control the faith of others when they have received the guidance they needed in this era.

If the Khalifa-tul-Massih has a personal hand in the persecutions and mental duress of the Sahih al Islam members, then let it be known that Allah shall seize him for his evils soon. If he is passing as a good boy before the world while promoting boycott and hatred among the Muslim brothers, then his consequences, as well as all men under his command and who are obeying him in his unislamic ways, then let him bear in mind that Allah shall crush him to pieces for the world to see.

Oh my disciples in India and the other countries of the world, when we say that we believe in a Messenger of Allah, this must not be words only pronounced on the tongue, this must not be insincere words, but this must be words pronounced from the bottom of our hearts. The true believer must undergo hardships before being admitted completely before Allah and receiving His graces and pleasure. The more the trials are hard, the more sweet and great shall be the rewards.

The believer who has established himself (or herself) in piety shall not hesitate come what may to make some sacrifices to spread the divine light on earth through the establishment of the Jamaat Ul Sahih Al Islam. The believer must not have the fear of anyone and if he has to give his life in the path of Allah, for the sake of Allah, therefore if he is truly a believer, one who has true faith in the heart, then he shall not hesitate to give up his life for Allah.

If today a member of the Jamaat UI Sahih Al Islam does not stand up to refute and close the mouth of the liars, if he allows the misbelievers to continue to defame the Divine Manifestation and this humble servant of Allah and to induce the public into error, then let him be aware that he shall be accountable for all this before Allah (swt). I inform you that today Allah has not neglected the world. Indeed He has established the Jamaat UI Sahih Al Islam, as the reflection of the pure Islam brought by our noble and beloved prophet Hazrat Muhammad (saw). Indeed it is Allah Himself who has sent me to you all in this world as His representative, as a humble servant of Allah amongst you and who can converse with you, and this at the beginning of this century when the graces of Allah began to rain.

Therefore, pray a lot. Seek the help of Allah in reuniting with one another in true brotherhood for the sake of Allah. Islam is one true religion and the people of Islam should be one, not divided. The work of the workers of the Jamaat UI Sahih Al Islam should be in this direction, to invite to Allah as one brotherhood. Recite the Surah Al-Fatiha and the Darood Shariff a lot, for these are the keys opening the door of the divine grace and mercy.

Never pray without knowing what you are saying and for routine's sake. Concentrate in your prayers and be assured in your heart of the acceptance of your supplications to Allah. Remember the sacrifices which the Holy Prophet of Islam (saw) and his blessed companions had to endure for the sake of the true faith. We must strive to reflect in us their exceptional qualities and not to become like the hypocrites and weak of faith who surrounded the Prophet of Islam (saw) and who at the least trial took steps back in fear of persecutions and loss of life, wealth and blood relations and friends. Remember that the ones who are not for Allah, then how can they become for you, how can they become your friends and brothers? If they are attached to this world and seem determined to remain this way, then there is little you can do to convince them otherwise except through the will of Allah. You do your efforts, and it is Allah who shall give faith or not. Verily Allah knows the contents of all hearts. He knows in whose hearts He shall instil true faith, the divine light; the light of true guidance.

Insha-Allah, when you carve yourselves into the representation of true servants of Allah through your obedience to Allah, His perfect prophet Hazrat Muhammad (saw), His blessed Muhammadan Messiah Hazrat Mirza Ghulam Ahmad (as) and this humble Messenger of Allah in this era, then you shall get access to the fruits of your faith and your prayers shall be answered. Truth shall be victorious again, and again the brightening sun of Sahih al Islam shall rise and shine, illuminating the universe as a whole with the divine light. The beauty of true Islam shall be manifest, *Insha-Allah*. But this victory shall not come at once. Allah shall delay it until we have deployed all our efforts and made enormous sacrifices in every facet of our lives and time for His sake. To bring about the great victory of the Jamaat UI Sahih Al Islam great sacrifices and sufferings are needed. So, Oh my disciples, cheer up and embrace all fires of persecutions and humiliations. Rejoice for therein is found your ultimate salvation. The more the ignorant (despite their declaration of being great Mullahs and scholars of Islam) shall cause you to suffer and the more you shall endure for the love of Allah and His Messenger, the more Allah shall cause you and His Jamaat to near victory at great pace. The birth of Islam needed great sacrifice, and the time we are living needs a similar sacrifice. Despite the fact that we can never reach the same perfection of the birth of Islam in the times of our beloved prophet Hazrat Muhammad (saw), but our efforts and strivings in this direction and our pure intentions to reflect their true spirit of love for Allah and for the Prophet (saw) must be alive in our heart, dictating us further towards the promotion and spreading of Islam in the four corners of the world, so that the Muslims become true Muslims, not in name only, and so that people of other faiths get access to the true faith, that is, Islam and integrate Islam as true servants of God, devotees of one sole Allah. Therefore, dying for Islam is of paramount importance. If martyrdom is prescribed for us, then we must embrace our blessed destiny and show our love for Allah whenever Allah demands from us this sacrifice. The life of Sahih al Islam depends on this death so that we may accede to eternal life in the love of Allah, our true Goal.

In so doing, we will win victories on all fronts; we shall see the victory of Sahih al Islam. May Allah help us to make these sacrifices. *Insha-Allah, Ameen.*

Jazak-Allah for your attention. May Allah bless you all who have taken patience to listen to this message, and shall take it into account. *Ameen.*

Update on Persecution (14 August 2013): In the aftermath of the speech of the Khalifatullah Hazrat Munir Ahmad Azim (atba), we came to learn that our new Sahih al Islam brothers are facing lots of difficulties after integrating the Jamaat Ul Sahih Al Islam and our brother under house arrest was asked about his views on Ahmadiyya Khilafat, and he replied that between a Khalifatul-Massih and a Khalifatullah, then the Rasul of Allah has precedence over the (man) elected one. Upon hearing this, physical attack was made on him by one member of his own family in the presence of the brother-in-law Mullah and other near relatives. He was after that taken to Alappuzha for further torture and questioning along with other Ahmadi Mullahs.

May Allah keep all our brothers in Kerala/Tamil-Nadu steadfast in their faith and give them patience, faith and courage to stay true to their faith till their last breath on earth, *Insha-Allah, Ameen.*
