SPEECH

THE AHMADIYYA CENTENARY JUBILEE IN MORIS

HAZRAT MUHYI-UD-DIN AL-KHALIFATULLAH

Munir Ahmad Azim

(Summary of Speech)

05 July 2015

(18 Ramadhan 1436 Hijri)

After greeting all his disciples (and all Muslims – especially the Ahmadi Muslims in Mauritius) around the world with the greeting of peace in Islam, Hadhrat Muhyi-ud-Din Al-Khalifatullah (atba) read the Tashahhud, Ta'uz, Surah Al Fatiha, et the following verses of the Quran (2: 88, 106) and afterwards he said:

أَفَكُلَّمَا جَاءَكُمْ رَسُولٌ بِمَا لَا تَهْوَىٰ أَنفُسُكُمْ اسْتَكْبَرْتُمْ فَفَرِيقًا كَذَّبْتُمْ وَفَرِيقًا تَقْتُلُونَ

Afa-kullamaa jaaa'akum Rasuulum-bimaa laa tahwaaa 'anfusukumus-takbar-tum? Fa-fariiqan-kazzabtum wa fariiqan-taqtuluun.

Is it ever so, that, when there comes to you a messenger (from Allah) with that which you yourselves do not desire, you grow arrogant, and some you disbelieve and some you slay? (Al-Baqara 2: 88)

اللَّهُ ذُو الْفَضْلِ الْعَظِيمِ

Allahu yakh-tassu bi-rahmatihii mayy-yashaaa': Wallaahu Zul-Fazlil-Aziim.

Allah chooses for His Mercy whom He wills. And Allah is the Lord of mighty grace. (Al-Baqara 2 : 106)

In the course of the past century, when Islam was being martyred everywhere at the hands of the enemies of Islam (non-Muslims), Allah (swt) strengthened Hazrat Mirza Ghulam Ahmad (as) of Qadian through divine revelations to remove Muslims from darkness, and especially where there were Muslims who were leaving Islam for other religions; and thus the Messiah of the past century brought back faith on earth and enlightened the Muslims with the heavenly light. Moreover, upon the attack made against Islam and its founder Hazrat Muhammad (pbuh), there was no one who had the courage to refute and defend the honour and dignity of our beloved prophet Hazrat Muhammad (pbuh) who is the head (seal) of all prophets and this great religion, that is to say, Islam.

But by the grace of Allah Hazrat Mirza Ghulam Ahmad (as) did not hesitate one second to stand up like a lion of Allah to defend Islam, this great religion which was beforehand unprotected, and was trampled by the enemies of Islam. Hazrat Mirza Ghulam Ahmad (as) stood against the tide of great opponents of Islam and raised the morale of the Muslims and he was everywhere well recognized as a champion of Islam, a Master of the Pen (*Sultan-e-Qalam*).

When the command of Allah came whereby he had to do his proclamation as the Messenger of Allah, then he submitted to the will of Allah and he proclaimed himself as prophet/ messiah, and then those same Muslims who once appreciated his work and declared him champion of Islam, Master of the pen, etc., were forced by the so-called Mullahs to thwart Hazrat Mirza Ghulam Ahmad (as) and they did not even thought for a few minutes on the question: *Where were these so-called Mullahs when Islam was being trampled by the enemies of Islam?* Therefore, their mouths were clamped and thus, at that time, the truth of his apostleship was already proved and confirmed.

Whenever a prophet comes from God, there is a wave of opponents who stand against him and his mission. So, the supposed scholars and defenders of Islam travelled the world to arouse the masses against Hazrat Mirza Ghulam Ahmad (as).

So, in the past century, despite the fact that the great opponents of Hazrat Mirza Ghulam Ahmad (as) did everything to dissuade people around the world to believe in the Messiah, but Allah (swt) has blessed this small island which is called Mauritius. And if you look for it on the map, so one must look really close as it is the smallest compared to other islands and countries. It is a small point, and Allah (swt) wanted that this island, which looks like a point, to get the message of the Messiah of the past century, Hazrat Mirza Ghulam Ahmad (as). When you study the history about how the message of Hazrat Mirza Ghulam Ahmad (as) came to Mauritius, you shall understand that Allah (swt) wanted this point called Mauritius to receive this message of his Messiah Hazrat Mirza Ghulam Ahmad (as) because when Mauritius shall enter its second century, it was to be in this same small island of Mauritius that Allah (swt) shall raise His second Messiah and Khalifatullah.

Blessed are our elders and congratulations to them who, through reviews received the news of the advent of a Messiah who appeared and was born in Qadian, India; and without hesitation, they believed in him, without even having seen him, and they did everything so that a first missionary come to Mauritius to organize the Jamaat of the Messiah, Hazrat Mirza Ghulam Ahmad (as).

By the grace of Allah I have told and explained this in detail in my book due out soon on the occasion of the centenary jubilee since the message of the Promised Messiah was officially established in Mauritius, despite the waves of opposition, persecution and boycott, as there was no shortage of so-called theologians and defenders of Islam who had come to Mauritius to thwart the Jamaat of Hazrat Mirza Ghulam Ahmad (as). They did everything to try to extinguish that light, but Allah (swt) kept perfecting His light, for Allah (swt) knows that it was in this Community (Jamaat) of Hazrat Mirza Ghulam Ahmad (as) that He shall raise a second Messiah and Khalifatullah at the beginning of this new century.

So in the year 1915, truth seekers have accepted the Messiah Hazrat Mirza Ghulam Ahmad (as) and took the *bai'at* (oath of allegiance) in group. Now, like most recently in June 2015 those who have believed in the Promised Messiah of the past century have celebrated the centenary Jubilee (100 years) of existence of the Community of the Messiah (in Mauritius). Saturday 20 June 2015, 3rd Ramadhan, during the fasting month the centenary commemoration of the first group of *Bai'at* in Mauritius has been celebrated.

It is true that our elders believed and went through thousands of trials, but the biggest test for you people today is that, in this new century, Allah (swt) has raised His second Messiah and Khalifatullah in the Jamaat of the first Messiah, Hazrat Mirza Ghulam Ahmad (as), but unfortunately you have refused to believe and have said that the revelation he receives from Allah is a “*so-called revelation*” and, moreover, those that man has chosen and placed on the chairs of authority, they give orders to the people so that they reject this humble servant whom Allah has elevated and they have expelled me as well as all those who have believed in my claim from the *Nizam-e-Jamaat*, the Jamaat of Hazrat Mirza Ghulam Ahmad (as) and they have applied boycott on them/us.

When you analyze what happened in Mauritius on the account of this humble servant of Allah, there is no difference with what had happened with Hazrat Mirza Ghulam Ahmad (as) before his proclamation. Similarly, the Muslims honoured him as a champion of Islam, a master of the pen etc., but when he began to receive revelations and got the divine instruction to proclaim himself as an Elect of Allah, and when he proclaimed his mission, the so-called mullahs, scholars and defenders of Islam have tried to thwart his mission and prevent people from listening and

reading his books. In addition to this, they applied boycott on him and persecuted him as well as his followers with atrocious persecutions.

Today, in the small island of Mauritius, a so-called centenary is celebrated. This is a facade for verily they really act as the enemies of Hazrat Mirza Ghulam Ahmad (as). There is no difference between the two, and they boast about having the best education compared to other Muslims, and they are in a Jamaat where several commentaries of the Holy Quran have been published, such as, the Tafsir-e-Kabir, Tafsir-e-Saghir, which were compiled by Hazrat Musleh Ma'ud Mirza Bashir-ud-Din Mahmud Ahmad (ra), and where there are also several books of the Promised Messiah, books of the Musleh Ma'ud (ra) and those of the other caliphs.

Allah (swt) gave them a great trial and raised a person from among themselves so as to determine their response (and know their real faces). Now they have failed completely in the court of Allah. They put large **“Love for All, Hatred for None”** signs on all mosques, T-shirt, badges etc. only for people's eyes (for show) and to look good. What a shame! They do not know how to honour every word of that motto. The motto is a beautiful set of words, but which is unfortunately not put into practice; instead there is a hatred which is manifested from the heart and they do not hesitate to apply boycott and they encourage families (their relatives) of those who believe in the proclamation of this humble person to also apply Boycott toward their own blood relations for the sole reason that these people have believed in the Divine Manifestation.

Let me say to those who have taken the initiative to persecute our members and have applied boycott on us, Allah (swt) has indeed given you His favour because it is certainly among yourselves that He raised His Messenger, but unfortunately for you, you turned on your heels and you broke the commitment you took before Allah (swt). Consequently, hypocrisy has entered into your hearts until the day you will meet Allah because you have deviated from the promise you made with Allah. And furthermore, the so-called defenders of *Khilafat* persist in sowing hatred in the heart of the other members (of Jamaat Ahmadiyya). Do they not know that Allah (swt) knows their secrets and the conversations they hold among themselves, and Allah (swt) has knowledge of all their plans? They criticize our members and make fun of us, but verily they shall certainly have a great painful punishment. They refuse the divine favour that Allah (swt) has granted them and certainly Allah does not guide people who take the deviating path. I am sure that among them, upon hearing this message addressed to them, they shall ridicule it. Allah (swt) sends down this verse in my heart (about them): **“Fal-yaz hakuu qaliilaww-wal yabkuu kasiiraa: jazaaa-am-bimaaa kaanuu yaksibuun”** (*Let them laugh a little and weep much as a reward for what they have earned*).

This is a prophecy that I am making. Apply your boycott as much as you like, persecute us as you want but you can never prevent the Jamaat of the Messiah and Khalifatullah of this century – the Jamaat Ul Sahih Al Islam – from spreading to the four corners of the world, *Insha-Allah*. Many

people around the world will join this Jamaat and it is with me in the Jamaat of Allah, which is supported by Allah that you will enjoy this divine light, despite the many obstacles and trials we have to face. It is Allah (swt) who shall remove these obstacles and you will see, and your children, or your children's children will see how this Jamaat will spread in the future. *Insha-Allah*. Allah (swt) will surely fulfil His promises.

Oh brothers, sisters and children, come and get out of darkness. The sun has risen but still you sleep! Come, wake up and see that those who have believed and sincerely accepted the Khalifatullah of this century, and who follow him (*the Khalifatullah speaks of himself in the third person*) as in the days of all the prophets of Allah (as), they verily live the blessings of *Laila-tul-Qadr* in their everyday lives, as long as the Messenger is alive among them, because they know that the angels and the Spirit (the *Ruh-il-Quddus*) come down during this holy period and they receive blessings and abundant signs to reinforce their faith in Allah, such signs that tell them that the path they took is indeed a path that is **SAHIH** (true). So, do like those who, when they heard of the coming of a Messenger of Allah, they hasten to accept and stand firm by him and who ask Allah to illuminate them with the light that descends upon His Messiah so that they too can feel exceptional at a time when they agreed to sacrifice everything for Allah and His Messenger. And so Allah give them His blessing and makes them become close (intimate) to His Khalifatullah and He preserves their faith firmly in the Divine Manifestation (of this era).

Praise be to Allah, Who blessed this small island, Mauritius and accepted the sacrifices of our elders and raised His Messiah from among yourselves, especially towards the end of a centenary (1907-2007) where a very humble and intelligent man **Noor Muhammad Noor Aya** has heard about the message of Ahmadiyyat and he made everything in his power to have this message delivered to Mauritius and be spread all over this small island. *Alhamdulillah*. His very name carries a message: **The Light of Muhammad (pbuh) has come, Light upon Light. Allahu Akbar!**

May Allah have mercy on you and grant you the same faith that filtered into the hearts of our ancestors who made sacrifices over sacrifices to enable the veracity of the Messiah to shine everywhere. *Insha'Allah, Ameen!*

Thank you for your attention.

Assalamoualaikum Warahmatullah Wabarakaatuhu.
