

OPENING SPEECH

## JALSA SALANA

HAZRAT MUHYI-UD-DIN AL-KHALIFATULLAH  
*Munir Ahmad Azim*

11 November 2015  
(28 Muharram 1437 Hijri)

***After greeting all his disciples (and all Muslims) worldwide with the greeting of peace Hazrat Muhyi-ud-Din Al-Khalifatullah (atba) read the Tashahhud, Ta'uz, Surah Al-Fatiha, and then he began his speech on "The Spiritual Centenary Celebration of Ahmadiyyat in Mauritius":***

By the grace of Allah, the Jamaat ul Sahih Al Islam is today celebrating its Jalsa Salana in the north of Mauritius. It is an historic Jalsa Salana in the annals of the Jamaat ul Sahih Al Islam whereby a hundred years have passed since our ancestors first accepted the Promised Messiah of the past era, Hazrat Mirza Ghulam Ahmad (as). And all this came to be as per the plan of Allah (swt) for this little island, such an island which is difficult to see on the world map. And today, Allah has raised another of His Messiah who is present amidst you today to celebrate this centennial celebration of the message of the

past Messiah in our little island.

Allah (swt) has wished for His Messiah and Khalifatullah to celebrate the Jalsa Salana 2015 together with the seekers of truth of this era. And Allah (swt) gave His chosen servants that great honour to be foremost in the grand event of this year 2015, and thus the Jamaat UI Sahih Al Islam was the first to be able to publish a centenary magazine on the subject, launched it and organised also several conferences around the island in different villages, accompanied by social works as well.

Therefore, this Jalsa Salana holds another status and importance today. It is a Jalsa which shows the results of this centennial year, for it is the Caliph of Allah (*Khalifatullah*) who has received this true blessing from Allah to honour those who toiled hard, made sacrifices over sacrifices in 1915 to receive the message of the Promised Messiah (as). When they accepted that message, they had to undergo all kinds of trials (for the sake of their faith). Their trials and sacrifices did not go in vain. It has borne its fruits in this very same island, and at the beginning of this century, Allah has raised His Messiah, His Muhyi-ud-Din, His Khalifatullah. You like it or not, but the fact remains that Allah raised this humble servant and Allah has decreed: **“It is My Caliph (Khalifatullah) who shall have the upper hand over all other Jamaats”**. The latter have failed because of their arrogance, boastfulness and more specifically because of their refusal to accept the Khalifatullah of this era and to believe in the revelations he receives from Allah. They have moreover given their idol foremost importance (instead of Allah and His signs). Thus ensured the results which they are now receiving/ witnessing, but Allah (swt) is verily showing these to them so that they may know that it is in the simple ways and without exaggerated expenses that they can make progress. But instead what do these people do? They are wasting (valuable) money of the contributors who contributed in the path of Allah.

Allah (swt) has enabled His Khalifatullah to honour this centennial event and made him (i.e. this humble self) the key person in all aspects to receive this privilege. The Jamaat Ahmadiyya (mainstream) lost this divine honour, for despite that they are celebrating that centennial event, yet there is no spiritual flavour, no spiritual juice in it, just like a withered orange devoid of juice. Despite their full treasury and all expenditures for grand halls and worldly personalities etc, but the fact remains that they are bereft of the Servant of Allah amidst them. There is no Light of Allah to illuminate them; there is no spiritual light which has been spread everywhere to show a quality spiritual centennial celebration which is a once in a lifetime occurrence, and especially when it concerns such a centennial event to commemorate the tireless efforts of the first seekers of truth who have enabled the message of Hazrat Mirza Ghulam Ahmad (as) to reach Mauritius. But they have unfortunately not recognized the value of that centennial event, for it is a fact that not all spiritual leaders get to witness live such an event, to celebrate the 100 years since some seekers of truth did everything in their power, despite all kinds of trials they had to undergo to enable the message of Hazrat Massih Ma’ud (as) to remain evergreen till today.

In such (empty) centennial celebrations, you can invite great mundane personalities like state leaders and others, but if the Chosen Servant of Allah (swt) of this era is not present, then what is the use of such centennial celebrations? What does it mean to have a centennial celebration along with a Chosen Servant of Allah? It is verily a purely spiritual centennial one whereby the small number of people who have recognised the value of a Messenger of Allah, someone who comes from Allah with the *Ruh-il-Quddus* (Holy Spirit): it is thus called an entirely spiritual centennial celebration (which we are celebrating today)! But nowadays, it is quite the contrary which is being manifested. Whenever you turn your backs to the Divine Manifestation, and mock the Chosen Servant of Allah and give more importance to the Man elected by man, therefore, see the results for yourselves today!

According to me, there is in all these (the Hand of Allah): ***La Ghaliba Illallah***. It is Allah Who has been victorious and He enabled His Messiah of this age to do this noble work. The Jamaat Ahmadiyya has failed everywhere (in every noble task) for they mocked the Divine Manifestation. Through their own deeds, they propelled themselves into darkness and left the Divine Light. They acted against us with hatred, boycott, Salaam restrictions, breaking family ties, and moreover they manifested their anger and hatred on the *minbar* (pulpit) of Hazrat Muhammad (pbuh) over Divine Revelations.

Thus, like I told you (*the Jamaat Ahmadiyya, the so-called defenders of Ahmadiyyat and Khilafat-e-Ahmadiyya*), try as you may every of your mischief and plots to exterminate us, do everything that you can but you will not be able to make the Jamaat Ul Sahih Al Islam fail in its mission. I told you, if Allah is with you, we give you the time to come forward and do everything you want to destroy us, to create disorder, and indeed you have seen with whom Allah is in that same centennial Ahmadiyya year which is indeed very important in the history of Mauritius. And *Alhamdulillah*, with the number of adherents joining the Jamaat Ul Sahih Al Islam, with the success in the Comoros and other countries, *Insha-Allah*, you shall see more signs and the effects of *Barakat* (blessings). This is the competition which we must do, Oh members of the Jamaat Ul Sahih Al Islam, so that we may increase our level of *Taqwa* and submit ourselves (to Allah) in all humility.

The Holy Prophet Muhammad (pbuh) was the one who reached the highest level of ***Maqam-e-Mihraj*** (the highest degree/ position/ stage of spiritual ascension which a human being can attain to) and Hazrat Massih Ma'ud Mirza Ghulam Ahmad (as) who had great knowledge on the person of the Holy Prophet (pbuh) put great emphasis on *Taqwa*. But now, where has the *Taqwa* of the Ahmadiis gone? Their humility has disappeared for they have trampled the teachings of the Promised Messiah (as) under their feet. That is why Allah (swt) has raised His Messiah and Khalifatullah of this era to revive those teachings and it is the Jamaat Ul Sahih Al

Islam who is reviving and spreading the teachings of both Hazrat Muhammad (pbuh) and Hazrat Massih Ma'ud (as) in the four corners of the world.

Therefore, Oh members of the Jamaat UI Sahih Al Islam, do not take this Jalsa today as an ordinary Jalsa Salana for it is Allah Who has prepared this Jalsa for you with His hand and your participation in this historic Jalsa Salana is of great importance (great value). Nobody (in our Jamaat) knew how our Jalsa Salana shall be celebrated this year, but today we are witnesses to its success with all the programmes and activities organised for this special centennial Ahmadiyya Jalsa Salana this year, which has yielded spectacular results. And I tell you also that the more successful we are, the more success we receive, the more our enemies shall not be able to bear those successes of ours and shall doubled their efforts, fuming all the way (to restrict our progress).

Thus, in the *Ummah* of Hazrat Muhammad (pbuh) there shall always be the descent of angels from the heavens and no power on earth can ever become an obstacle in that (divine decree). And especially in times of trials, those angels are sent down in great numbers and there is all the more connexion between Allah and the Jamaat UI Sahih Al Islam which Allah has firmly established. If this connexion is cut, then it would mean the death of the Jamaat. We are living a dangerous era and we are indeed very weak to reply back all the atrocities being made on us, BUT in order to succeed, we need to forget our pain and remember the revelation that: **“When Allah is with us, Everything is with us”**, and despite our own difficulties we need to relieve the pain of others.

The Quran and Hadiths give us the proper guidelines how we need to make efforts to establish the dignity of all humankind and how we need to stop the propagation of hatred in the name of religion (hatred which the Jamaat Ahmadiyya is spreading nowadays). Allah has sent religions with His Messengers to promote brotherhood and spread love, not to promote hatred. Shame on the Jamaat Ahmadiyya! They put up the motto: **“LOVE FOR ALL, HATRED FOR NONE”** just for ostentation, purely as a hypocritical act. If their Khalifa was truly divinely-guided, he would never have tolerated such (anti-Islamic) deeds, such as: boycott, not bidding (and replying to) Salaam, breaking family ties, putting hatred in the hearts of Ahmadis, within the framework of his Jamaat. Why did all this happen? Just because this humble servant of Allah has said that he (i.e. this humble self) receives revelations from Allah. Now see the consequences of those people today, in which deplorable situation they are, where they are celebrating a centennial event in complete darkness in Mauritius. Even if they put artificial lights to make known that they are well illuminated, but verily there is no *Noor* (light) of Allah present in their celebrations.

All the atrocities perpetrated against us by the Jamaat Ahmadiyya ever since the beginning of the Divine Manifestation on 1<sup>st</sup> January 2001 are based on the hatred and consequent

scheming and *fitna* of the ex so-called Amir and his Managing Committee. These havocs and atrocities were made against me, and moreover they did not give me my salary and lump sum and they even did not give me any 3 months notice (as specified by the law of the land) that they would not be in need of my service as a worker of the Jamaat. I was still working in Rodrigues back then in December 2000, and thus they committed such blunders while proclaiming that they are the best Jamaat and think that the key to paradise is with them. They take themselves as ambassadors of paradise and responsible for all divine teachings but alas for them they trampled those teachings under their feet! They are flashing romantic movie dialogues on all signboards for the eyes of creatures to depict themselves as big STARS but before the Creator, they are nothing but STONES which nobody shall protect the day when they will be thrown into hellfire, becoming the combustible of hellfire.

So, Oh members of the Jamaat Ul Sahih Al Islam, you must always show yourselves grateful to Allah (swt) for Allah has opened your heart to ***Sahih al Islam***, and you must always preserve these divine teachings. Never become like those people (of the mainstream Ahmadiyya Jamaat), for if so, hatred shall overtake your heart instead of love for your brethrens. That is indeed the goal of the Jalsa Salana which Hazrat Massih Ma'ud (as) had established, that all brothers and sisters of the same Jamaat, of the different villages, towns and countries come for the Jalsa Salana and meet their brothers to establish love, brotherhood and to get to know these brothers well, and it is also a means of promoting unity so that the enemies of the Jamaat do not get an opportunity to rejoice on the misfortune of the brothers of the Jamaat if the latter indulge in disputes (among themselves), and thus through these bad actions, this can abase the dignity/ honour of the Jamaat of Allah. We must not give the opportunity to our enemies to rejoice. If there ever occur disputes between two brothers of one same Jamaat, then one must be ready to accept defeat (even if he is in the right) and bear the situation with patience and pray, for it is then Allah (swt) who shall change that situation in his favour, *Insha-Allah*. Like Allah (swt) says in the Holy Quran, in Surah Az-Zumar 39: 11: ***“Those who patiently persevere will truly receive a full reward, without reckoning!”***

I end this speech here on that note, for like this Quranic verse says, the one who perseveres with patience shall not be accountable to Allah (for that matter which he had to endure). Therefore, be steadfast, be patient for you shall receive reward for this in full measure with Allah, *Insha-Allah*. With patience and steadfastness, one can avoid many chaos, hatred, and disagreements/ problems.

May Allah give each one of us the *Tawfiq* to fully understand the message within this Opening Speech of this (Spiritual) 2015 Centennial Jalsa Salana celebration. *Insha-Allah. Ameen.*
