Friday Sermon

HADHRAT AMIR'UL MUMINEEN MUHYI-UD-DIN

Munir Ahmad Azim

03 April 2015 ~

(13 Jamad'ul Aakhir 1436 Hijri)

(Summary of Friday Sermon)

After having greeted all his followers (and all Muslims) round the world with the Salutations of Peace, Hazrat Muhyi-ud-Din (atba) read the Tashahhud, Ta'uz and Surah Al Fatiha, read the following verses of the Quran:

حُرِّمَتْ عَلَيْكُمُ الْمَيْتَةُ وَالدَّمُ وَحُمُ الْخِنْزِيرِ وَمَا أَهَلَ لِغَيْرِ اللَّهِ بِهِ وَالْمُنْخَنِقَةُ وَالْمَوْقُوذَةُ وَالْمُتَرَدِّيَةُ
وَالنَّطِیْحَةُ وَمَا أَكَلَ السَّبْعُ إِلَّا مَا ذَكَّيْتُمْ وَمَا ذُبِحَ عَلَى النُّصُبِ وَأَنْ تَسْتَقْسِمُوا بِالْأَزْلَامِ ۖ ذِكْرُكُمْ
فِسْقٌ ۖ الْيَوْمَ يَدْعُ الدِّينَ كَفَرُوا مِنْ دِينِكُمْ فَلَا تَخْشَوْهُمْ وَاخْشَوْنِ ۖ الْيَوْمَ أَكْمَلْتُ لَكُمْ دِينَكُمْ وَ
أَتَمَّمْتُ عَلَيْكُمْ نِعْمَتِي وَرَضِيتُ لَكُمُ الْإِسْلَامَ دِينًا ۖ مَنِ اضْطُرَّ فِي مَخْمَصَةٍ غَيْرَ مُتَجَانِفٍ لِإِثْمٍ ۖ فَإِنَّ
اللَّهَ غَفُورٌ رَحِيمٌ ۝

Hurri-mat 'alaykumul-maytatu wad-damu wa lah-mul-khinziiri wa maa 'uhilla li-ghayrillaahi bihii wal-munkhani-qatu wal-maw-quuzatu wal muta raddi-yatu wanatii-hatu wa maaa 'akalas-sabu-'u illaa maa zakkaytum; wa maa zubiha 'alan-nusubi wa 'an tastaqsimuu bil-'azlaam: zaalikum fisq. 'Al-yawma ya-'isallaaziina kafaruu min diinikum falaa takh-shawhum-wakhsawn. 'Alayma 'ak-maltu lakum Diinalum wa 'at mamtu 'alaykum nimatii wa radiitu lakumul-'ISLAAMA Diinaa. Famanid-tuurra fii makh-masatin ghayra mutajaa-nifil-li-'ismin fa-'innallaaha Ghafuurur-Rahiim.

Forbidden to you is that which dies of itself, and blood, and flesh of swine, and that on which any other name than that of Allah has been invoked, and the strangled (animal) and that beaten to death, and that killed by a fall and that killed by being smitten with the horn, and that which wild beasts have eaten, except what you slaughter, and what is sacrificed on stones set up (for idols) and that you divide by the arrows; that is a transgression. This day have those who disbelieve despaired of your religion, so fear them not, and fear Me. This day have I perfected for you your religion and completed My favour on you and chosen for you Islam as a religion; but whoever is compelled by hunger, not inclining wilfully to sin, then surely Allah is Forgiving, Merciful. (5: 4)

It is unfortunate that since the beginning of the Divine Manifestation in 2001 until today, we have witnessed all kinds of mullahs in the Ahmadiyya Jamaat. With the Divine Manifestation we saw the true face of these so-called mullahs. Nowadays we are seeing a so-called Mullah like Basharat Naveed who has been tolerated by a so-called Amir to say such serious foolishness which hurt those people who do Service to Humanity, (and in this particular case) a sister who has believed in this humble self and the Divine Manifestation who has expressed the wish to save the life of her sister, and she sacrificed all to go to the UK to donate Stem Cells to her sister Shirine Ben Taujoo, who is the sister-in-law and niece of the present Amir Jamaat in Mauritius.

A sister who, come what may wanted to save the life of her sister. She disregarded the fact that she was previously boycotted in many of the engagement, wedding and familial functions. She did not think about all these boycotts when the question came to save the life of her sister Shirine Ben Taujoo. And it is fact that due to her belief in someone who has proclaimed himself as the Khalifatullah of this era, in a Divine Manifestation, therefore this donation of Stem Cells was done by her only for the cause of Allah, and with lots of *duahs* also.

What kind of Mullah Basharat Naveed is to give such reply? He is automatically classified as such Mullahs who were prophesied by Hazrat Muhammad (pbuh) who will appear in the last days, and who will be like pigs and monkeys.

The Holy Prophet (pbuh) said: *“A time will come when people of my Ummah will begin to differ and there will be very great and fundamental differences of opinions and the common people would go to the Ulema to seek guidance from them and lo!, they would find instead of Ulema, monkeys and pigs”.*

They fix great “Love for All, Hatred for None” signboards for the eyes of people, but they manifest hatred against the members of the Jamaat Ul Sahih Al Islam, National and International. Shame! What they say is not put into practice. Analyze that Hadith well and read the Holy Quran and see what Hazrat Dawud (as) and Hazrat Isa (as) have said for these kinds of people. The former was a Khalifatullah and the other was the Israelite Messiah. Thus, we see that this Hadith

does not apply only to those who have abused the Promised Messiah (as) but this also applies for the Ahmadi Mullahs of our era.

Perhaps that stupid Mullah does not know that Allah the Exalted has forbidden the believers, especially the Muslims from consuming pork (flesh of swine). So pork is absolutely unhealthy, its flesh also. It is strictly forbidden, and as I mentioned at the beginning of my Friday Sermon, Allah the Exalted says in the Holy Quran in Chapter 5, Verse 4: ***“Forbidden to you is that which dies of itself, and blood, and flesh of swine...”***

So we find that in pigs, there is brucellosis which causes abortion and infertility. This disease is difficult to diagnose and impossible to cure. It is recommended to make arrangements (preventive measures) for contaminated animals.

In short, swine, the supreme germ carrier, is the cause of many serious and fatal diseases including: dysentery, trichinosis, tapeworm, roundworm, hooked worm, jaundice, pneumonia, suffocation, weight loss, bowel obstruction, acute pancreatitis, enlargement of the liver, diarrhea, formation of stones in the liver, cancer, anemia, high fever, stopping the growth in children, typhoid, estropiation, heart disease, abortion, infertility; finally diseases causing sudden death.

A person whom you qualify as flesh of swine, even for saving a life and this life is saved, and now we know very well how many viruses there are in the flesh of swine, but despite that, a so-called Mullah has not hesitated to allude to the flesh of that sister as flesh of swine and thus the other sister has gone forward to take her sister, qualified as flesh of swine to save her life. Verily, these kinds of people (who think like this) are really blind for a human has been used to save another human and even the doctors upon analyzing all blood samples of the Varsally siblings have seen only the one whom Basharat Naveed has qualified as flesh of swine to be the perfect match (blood, bone marrow etc.) for their patient!

Thus (according to Basharat Naveed and those like him) the analysis of the doctors are false! A person, whose health is finished how can that kind of blood and stem cells (bone marrow) be given to her? Either she will be completely finished or gain life! I personally do not know of any other animal carrying in it so much death and destruction bombs for the human body. Personally I believe that pork is not a food, but a heap of poisons. There is another parasite, the *“Balantidium coli”* which is extremely common in pigs. Researches revealed a frequency of 21 to 100%.

Only in countries practicing pigs breeding that this disease is common. One in six people in the United States of America is affected. And in Canada people contracted worms in the muscles because of pork consumption. No one is immune against this disease and there is no cure;

neither antibiotics nor drugs or vaccines are effective on these tiny deadly worms. There is still no way to kill the parasite (*Paragonimus*) in tissues. And nobody has found a way to expel it.

There are other diseases related to pork such as “erysipelas”, endemic haemoptysis (bleeding of the lungs and brucellosis (contagious abortion of pork). What is “erysipelas”? This disease is caused by the germ “*erysipelothrix rhusiopathia*.” This disease occurs in acute and chronic forms. The symptoms of the acute form are mainly a high fever and a decrease in activity and appetite. It usually causes a quick death. The chronic erysipelas causes diamond-shaped pressure sores in the skin, there is an impact on nearby locations (body parts/organs), as well as heart valves, which can lead to disruption of cardiac activity and sudden death.

Therefore, to educate that so-called Mullah, I had to cite all the dangers which exist in the flesh of swine. I think that the Hadith by Hazrat Muhammad (pbuh) applies to the Mullahs of this era, how they shall be like monkeys and pigs!

Therefore if he (that Mullah) reflects such animalistic characteristics in him, therefore now imagine how many such viruses have spread in the Jamaat Ahmadiyya, especially in Mauritius. How serious this is if these viruses infect the Ahmadis, and thus there is no cure for it! There should never have been such types of Mullahs and Amirs in the Jamaat of the Promised Messiah (as). There should have been a big cleaning up, getting rid of those kinds of Mullah and Amirs who are poisoning the teachings of the Promised Messiah (as) by their harmful viruses.

So, O brothers and sisters of the Jamaat Ul Sahih Al Islam National and International, pray a lot so that in our Jamaat are not born such Mullahs and Amirs who poison with their deadly virus the pure messages coming from heaven. If ever such people enter our Jamaat; I pray that Allah makes them leave as quickly as they came in. It is only Allah the Exalted who knows the heart and intention of each person. If he is true, then he will become a real Sahih al Islam, firm and sincere. May Allah the Exalted preserve us against such deadly viruses! *Ameen*.
