Dear Mawlana Basharat Naveed,
Assalamoalaikum Wa rahmatullah Wa barakatahu

It's with deep regret and with a heavy heart that I am addressing to you, a temporary missionary of the Jamaat Ahmadiyya in Mauritius about the question which some members of the Jamaat Ahmadiyya who are very close to us asked you concerning the donation of stem cells which I did for my sister Shirine Ben Taujoo (wife of Mr. Issa Taujoo, and sister-in-law of your Amir Moussa Taujoo) in England, in December 2014.

To my astonishment and disappointment your answer was catastrophic and alarming: **"In Islam one is allowed to eat Pork if necessary."**

What are you thinking Mawlana Saheb? You are treating me as a PIG? Moreover you are insulting my mother Mrs. Safida Varsally, wife of late Abdul Rashid Varsally, a member of Jamaat Ahmadiyya since birth as a PIG! Has she given birth to a daughter PIG when now this daughter is the only one among eight who is the perfect match (more than 90%) for her other daughter?

According to your answer and line of thoughts, then this means that after the transplantation of my stem cells, *God forbid*, my dearest sister Shirine is producing and developing 'pig stem cells' in her body. How foolish you are Mawlana Saheb! Is this the best way to preach people Islam? You used these verses of the Holy Quran to answer to these people:

"He has made unlawful to you only that which dies of itself, and blood and the flesh of swine, and that on which the name of any other than Allah has been invoked. But he who is driven by necessity, being neither disobedient nor exceeding the limit, it shall be no sin for him. Surely, Allah is Most Forgiving, Merciful." (2: 174, 6: 146 & 16: 116)

Perhaps you don't know the commentary of Hazrat Mirza Bashiruddin Mahmud Ahmad (ra)? Go and read that commentary and moreover, ponder over the following **Quran Commentary**:

"Although it has been stated in this verse that there is no sin in consuming a forbidden food in the absence of wrong intentions where transgression can occur, but yet, as the believer cannot be judge enough as to what is morally wrong or not, and thus failing to observe correctly a divine instruction, Allah has specially added that He is verily Forgiving and Merciful. He indeed knows the secrets of every heart and thus knows with what intention one consumes a food, if he does it purposefully to consume a prohibited food or he has done it without meaning to break the divine rules. Allah is verily the One to forgive man for his ignorance, weaknesses and mistakes.

Moreover, Allah clearly expose in this verse that if the life of a believer is threatened and he has nothing except the initially prohibited food to consume, and he is not desirous to break the limits commanded by Allah, then there is no burden of accusation on him if he consumes some only to save his life!" (Al-Azim-Tafsir-ul-Quran by Hazrat Khalifatullah Munir A. Azim (atba))

Is mine a **prohibited blood or stem cells**? Has Allah stated so in the Holy Quran? Do you really know the exact meaning of this verse? That is why Allah has sent a Reviver of Faith in this era – because the world is filled with foolish Mullahs like you. They have trampled the teachings of Allah (swt) and His prophet (saw) into dust.

When my sister shall be made aware of your answer, what will happen? You create fear and fright that now **she is producing and developing "pig cells" in her body**!!! Are you not ashamed? Have you not realised the consequences of these words of yours!!!

Are you truly the representative of your Khalifa in Mauritius? Don't you see that your stay in Mauritius is useless? Don't you think you are wasting the money of the Jamaat, money of poor people whose contributions are for the welfare of the Jamaat? The people of your own Jamaat are fed up with you. Stupid Mullahs like you are trampling the teachings of the Holy Quran to dust.

How dare you treat me as a PIG? Oh, is it because I am a member of the Jamaat Ul Sahih Al Islam who has accepted the Divine Manifestation of this era? Let me tell you that ignorant people like you insulted our master Hazrat Muhammad (saw), treating him also – *God forbid* – as a pig, a liar, a madman, an adulterer, a drunkard and so on (*the list is too long*). And bear in mind, the Promised Messiah Hazrat Mirza Ghulam Ahmad (as) also received those same vicious titles. But was all these truly applicable to the chosen ones of Allah, or were these the manifestations of the hatred of those enemies of Allah?

And now you have the guts to utter such vulgar words for a sister who did everything that was in her power, even to the extent of giving up her own blood to save the life of her sick sister. Verily, this deed of mine, I have not done it to obtain the acclamation of man, but **only for the pleasure of Allah**, to sacrifice myself to save the life of my sister, a human being and a very generous soul. Don't you know that saving a soul is tantamount to saving humanity as a whole? (Quran 5: 33)

Only the *Ulu'l-Baab* (people of understanding) shall be very happy and appreciate this good deed and encourage our Ahmadi Muslim brothers and sisters to give blood or stem cells generously to save the lives of thousands of people suffering from blood cancer, and maybe through our deeds, these people can recognise and appreciate the unicity of Allah and His absolute power.

Mawlana Saheb, you are being employed to preach people, to install stability, peace and harmony in their heart, not to create disorder or havoc among the members. I warn you, if you continue like the Pakistani Mullahs to create problems and hatred in members of the Jamaat, then I will have no option but to address the mundane higher authorities; especially the Prime Minister and the Human Rights Commission to expel you from our country. *Insha-Allah*, and by the grace of Allah, you shall not remain more than 24 hours in Mauritius.

Do not become the materialisation of the prophecy of the Holy Prophet Muhammad (saw) concerning a time when the Mullahs will be the worst people under the canopy of the sky. They will resemble pigs and monkeys! I am afraid for you Mawlana Saheb. I pray a lot that you do not form part of the categories of Mullahs mentioned in the *ahadith*.

May Allah guide you and enlighten you so that you recognise the blessed manifestations of Allah in this world. (*Insha-Allah*).

Wassalaam,

Fazli Amena Varsally
