Eid-UI-Adha Programme

Sept 11-12, 2016

On the evening of September 11, 2016 our members assembled for the Maghrib prayers at the Noor'ul Islam Masjid, Mathra. After the prayers, the Amir Saheb addressed the gathering and explained in the local tongue (Malayalam) the **Special Message** - **Original English Message** - of **Imam Al Khalifatullah Hadhrat Munir Ahmad Azim Saheb (atba) of Mauritius**.

Before early dawn of September 12, brothers assembled for the Tahajjud prayers. Later, *Darzul Qur'an* was conducted by the Amir Saheb after the Namaz-e-Fajr. Everyone reassembled for the *Eid-Ul-Adha* prayers at

the Masjid around 9.00 am. The Amir Saheb addressed the gathering by reading out last year's Eid Sermon of the Khalifatullah (atba).

After breakfast, brothers held the final session of the Meeting, beginning with the recitation of the Qur'an by YK Hariz Saheb. The Amir Saheb once again explained the **Special message of the Khalifatullah (atba) - Malayalam Translation** - especially for the benefit of our brothers who joined late.

After the Namaz-e-Zuhr, everyone had lunch - *Eid Biryani* - together at the home of the Amir Saheb. Visiting families and the other brothers began to return to their respective places after the lunch. By the immense grace of Allah, they were excited to see the visible transformation - progress - of the Masjid and its premises in such short span of time. All of this change for the better became possible - thanks to the fervent prayers of the Imam (atba) complemented by the dynamic initiatives of the Amir Saheb that are accepted through the sheer blessings of Allah (swt), *Alhamdulillah*. Members went back with a renewed determination and spiritual vigour to serve the cause of faith in all ways possible, *Insha Allah, Aameen*.
