Friday Sermon

HADHRAT MUHYI-UD-DIN AL-KHALIFATULLAH

Munir Ahmad Azim

29 June 2018
(14 Shawwal 1439 AH)

After greeting all his disciples (and all Muslims) worldwide with the greeting of peace Hadhrat Khalifatullah (atba) read the Tashahhud, Ta'uz, Surah Al Fatiha, and then he delivered his sermon on: "The Divine Messages of 19, 20 & 28-29 June 2018".

For today's sermon (Friday Sermon), I put before all my disciples the divine messages which came down on 19 and 20 June 2018 as a continuation of the messages received (on the previous night), and I pray that you always adopt the right path and remain loyal to Allah and His Messenger and Khalifatullah till your last breath on earth. It is easy for one to say "I believe", but really difficult to remain loyal and to abide to the faith that you have received. This is an exceptional treasure bestowed to you by Allah in this era. And therefore, you should not at any moment listen to the troublemakers, the Mullahs who seek to deviate your mind and heart from true faith and who seek to instil doubts in your head concerning the proclamation of "Rassool" and "Nabi" which Allah has bestowed upon this humble servant who is amidst you today. They seek to create disorder, but Allah continues to honour His Messenger, His *Rassool*. These people tell you: "But if he is a true Messenger, he needs to make the oath on Allah that he is what he proclaims to be." But who are they to give orders to Allah and His Messenger?

Do people take oaths on the name of Allah as a pastime, a fun game? Do people think that each time they come forward to say: “*Make an oath on Allah if you are true*”, do they think that a Messenger of Allah needs to obey them, or is his obeisance only to Allah? Does the Messenger need to fear that people are not having faith in him, or should he have the fear of Allah and strive to spread the messages and instructions which Allah has given him?

Those Ahmadi Mullahs who are creating disorders in India, they are worst than the Mullahs in the times of Hazrat Massih Ma’ud Mirza Ghulam Ahmad (as). It is with the Divine Manifestation (of this era) that the real faces of those Mullahs in the Jamaat of Hazrat Massih Ma’ud (as) have become manifest. I tell those Mullahs who are creating disorder to **take the name of Allah** and to say that the revelations that I receive from Allah are false and that I also am false as a Messenger of Allah (*Rassool*) of this era. Publish this extensively throughout the world and talk about it publicly. Send those messages throughout the world as a whole and then we shall see the result of it all from Allah. *Insha-Allah*.

The world can reject a true Messenger of Allah, but this does not mean that Allah is not with him. When Allah is with him, all can leave him, but his mission as a Man of God, a Servant and Messenger of Allah remain the same (He is a Messenger of Allah, always a Messenger of Allah). Allah has given me these titles, Allah has elevated me, and it is Allah who has poured down divine revelations on me to remove from me all blames and to resolve all doubts which people have in their minds concerning my advent in this world as an Elect of Allah.

If like they (i.e. these Mullahs) say, then from what their caliph (*Khalifa*) is talking and is making people believe that he is the *Mujaddid* of this era and that he is the Khalifa of Islam, has he ever taken the name of Allah and proclaimed to all Ahmadis that Allah has told him that he is the *Mujaddid* of this era? Has he ever received the least divine revelation which proves that Allah is with him, in the capacity of leader like his predecessors received?

I challenge you to come forward and prove it to the world, and I, the Khalifatullah have no objection whatsoever if ever you (the fifth Khalifa-tul-Massih) truly receive divine revelations from Allah, if you say, taking the oath on the name of Allah that you are indeed a *Mujaddid* and *Khalifatullah* (Caliph directly elected by Allah). Considering the deep darkness which the world is prey to today, it should be no surprise if Allah elevates more than one Messenger. And I have no

objection if Allah does create such situation where there are many Messengers to do His work. But if you are true and indeed come from Allah, are appointed by Allah directly, then you should proclaim so taking the name of Allah (like I did). Like I said, I have no objection. Allah gives revelations to whomsoever He wants. If someone says that he receives revelations from Allah, I do not make any comment. It is between him and Allah. Anyways, I hold no enmity towards anyone. We should all respect one another. I have even at many times invited you and the other religious leaders around the world to unite (unity of Muslims) and I have even come to your doorsteps (a way of speaking) in the U.K in 2014 seeking a *Mulaakat* (meeting) with you, but to no avail.

By the grace of Allah, lots of Ahmadis and other Muslims receive millions of signs and favours from Allah. Allah definitely does not abandon His sincere servants, but whenever the truth comes to them concerning the advent/ existence of **His Khalifatullah and Messenger of Allah of their era** and they reject him, it is then that their consequences shall be grievous.

May Allah guide the true seekers of truth (those who sincerely and truly want to know the truth and accept it), those whose hearts are truly pure to be immersed in the spiritual bath of the Divine Manifestation to purify themselves completely. Allah and His Messenger (*Rassool*), His Caliph (*Khalifatullah*) do not want quantity (i.e. masses of people coming in great numbers) but only quality, quality believers, those who have good qualities to enter the fold of the Jamaat Ul Sahih Al Islam. The one who believes and gains faith, most fortunate he is, but the one who turns his back to and ridicule the Divine Manifestation, the signs of Allah, therefore his consequences shall be grievous.

We have seen since last week, when I put forward before you the messages of Allah, the good news which Allah has given to the true believers and also the warnings He gave for you so that you may not fall prey to Satan (Satan's traps).

The Divine Messages of 19 & 20 June 2018 are as follows:

Bismillah-ir-Rahman-ir-Rahim

Ya Khalifatullah, qul inna hudallaahi huwal huda

O Khalifatullah, tell them, Allah's guidance is the true guidance.

It is most unfortunate that a Jamaat which had strived to make people believe in the continuity of revelations, that it existed in the past, exist today and shall continue to exist till the Day of Resurrection, today that same Jamaat rejects My Khalifatullah and divine revelations despite that it is the truth. Such divine grace does not descend all the time [*i.e., there is a specific and designated time for it*]. It is only with the advent of a Messenger of Allah that the messages of Allah come down for a limited time.

Qawluhul-Haqq

His (Allah's) Word is true.

But you reject it. We try in this way some people through others and this make them exclaim: “*Has Allah sent down His revelations on this kind of man?*” **Allah replies them:**

Alaysallaahu bi-a-lama bish-Shaakiriin.

Is not Allah most knowing of those who are grateful?

As for those who accept Our signs and My Messenger, tell them that Allah (swt) has designated for Himself the task to forgive. One among you who commits a wrong unknowingly, but then afterwards turns to Allah and reforms his conduct, therefore Allah forgives him and has mercy upon him. We send Messengers to give glad tidings and also to warn people, but despite this, people turn their backs to them and they attach themselves to this temporal life. Life on earth is nothing but a sport and pastime, if only they knew! They forget the afterlife and if only they knew, the afterlife is best for those who follow the path of Allah. Despite all this, the message keeps on coming through Our Messenger to explain to them the divine messages, messages coming from Allah (swt). But alas they keep on turning their backs and reject the message and they say to others: “*All these are only tales of the ancients!*”

They repel others from this divine message and they also put pressures on them so that they may not believe in My Messenger. They create disorder whereby they destroy their own souls, without realising what they are doing.

Innal-laaha laa yahdil qawmal-kaafiriin.

And Allah does not guide the disbelieving people.

O Khalifatullah, spread the message which has descended upon you from Your Master (Lord). If you do not give My Message, you would not have obeyed My instruction. Verily the message which has been revealed you from your Lord only increase many among them in transgression and disbelief, and their leaders, their Mullahs bite the tips of their fingers in rage. And you should not be sad and cry for those who reject the message which comes from your Creator. Ever since the creation of the heavens and earth, it has been like this, that each time a prophet comes to them with something which does not please them, they reject him and strive to kill him and persecute those who have believed in him.

You see many of them hastening to commit sins and create enmity. They use their energy to commit wrongs, disorder on earth and create hatred, enmity and to light up the fire of war. However, they make great declarations that they do not have hatred for anyone. What they say on their lips does not reflect at all in their hearts. Why don't their chiefs, their Mullahs stop them from acting like malefactors, criminals? This is because they are people without intelligence. Those who wage war against Allah and His Messenger and use their energy to commit wrong on earth, the punishment of Allah shall be severe on them, except for those who repent before the divine wrath overcomes them.

O you who have believed, follow the path of Allah, obey His Messenger and seek a means to come closer to your *Rab*. Strive to tread on His path so that you may prosper and seek to please Allah, and Allah shall remove you from darkness and lead you towards light. Through His grace He guides you to a righteous path. Recall the favour of Allah upon you when He removed you from obscurity and made you take the *Bai'at* in the hand of My servant and it is (verily) with Allah that you have taken the *Bai'at*.

Therefore follow the command of Allah. Allah verily knows what is in your hearts. Keep firm with Allah and His Messenger and always attest to the truth. Do not let the hatred of those who do not believe affect you and hinder you from establishing justice between truth and falsehood. This makes you come closer to the path of Allah. Follow Allah's order because Allah is aware of all that you do. Allah makes this promise to those who have believed sincerely that they shall gain (His) forgiveness and a great reward. On the other hand, those who reject Our signs shall become the indwellers of the great fire (hellfire). **I, Allah, I am Al-Jaleel.**

[An explanation which I give about this (Attribute of Allah), and this does not form part of the Divine Message. The word Jaleel is derived from Jalaal which means glory, majesty, grandeur, etc. Therefore, Al-Jaleel means One Who possesses Grandeur, Majesty and Glory. It is an attribute which indicates perfection. All things besides Allah is susceptible to imperfection. Thus, it is Allah Ta'ala only Who is **Al-Jaleel**. There is no one or nothing who/ which can surpass Allah Ta'ala. All merit, in whatever form it exists belongs to Allah Ta'ala. All authority in whatever form it exists is a gift and favour from Allah Ta'ala. Nobody has neither capabilities nor authority on his own ; It is Allah Ta'ala who gives authority/ power. Whoever has it in whatever degree or level is all because of Allah Ta'ala and has to thank Him for that. Like Allah Ta'ala has the capacity to give, likewise He can take it all back also. Man should not become proud and arrogant because of what he has in his possession.

*Meditate on the attribute **Al-Jaleel**. It develops humility in a person. It gives hope and relief in difficult moments. It makes man become sincere and obedient to Allah Ta'ala. It makes him has confidence and become positive in life, for he has only one goal, one objective to consider. And it is **Allah Al-Jaleel**. Besides Allah, everything else is secondary (even the least thing).]*

The Divine Message continues:

All those who are found in the Jamaat Ul Sahih Al Islam form a single family and fortunate are you that Allah (swt) has, in this era, the era in which you are living, sent His Khalifatullah amidst you to give you the message of your Creator. He is distributing the spiritual treasure and has come with messages of truth to do justice among the people on questions on which they do not agree. And lots of them are living in disaccord in the religion which I have perfected (Islam) and they have brought therein lots of innovations, and *Shirk* has entered this pure religion even after they have received clear verses and the perfect Book (the Quran) and a perfect role model in the person of the Holy Prophet Muhammad (pbuh); and the others have accepted the Messiah of the past century Hazrat Mirza Ghulam Ahmad (as). They have all trampled the divine teachings and reduced them to dust.

When they are told: that they are in the wrong, that which they are doing is against the teachings of Allah (swt), to live in the way of Allah, you see a wretched arrogance overtake them and they even say concerning Our Messenger: "We are

the ones who tread on the path of Allah; as for you, you are an infidel; and your place is hellfire.” As if they have received the seal of approval from God (the patent) to judge the faith of people and they call Allah as Witness for what is in their hearts and they think that what they are doing (i.e. the un-Islamic innovations) are good. They are stubborn in their discussions. This type of person turn his backs to truth and justice which comes from Allah. He rushes to create disorder on earth and to destroy the good works which the servant of Allah and his disciples are doing, and **I, Allah, I say:**

Wallaahu laa yuhibbul Fasaad.

And Allah does not like mischief (Disorder/ Corruption).

And among those people, who are the sincere believers, they give up their lives (i.e. they devote their lives in the path of Allah) with the desire to please Allah and for these sincere believers **Wallaahu Ra’uufum bil-Ibaad** – *And Allah has compassion on His bondmen (those who worship/ serve Him).*

O you who have not yet integrated the Jamaat Ul Sahih Al Islam, enter the Jamaat Ul Sahih Al Islam completely and do not follow the footsteps of Satan because he is for you an open enemy. Satan has made life on earth attractive for the disbelievers and the latter then mock the faithful. Those who live in the way of Allah, do not let yourselves be affected by their mockeries. Allah gives you this promise that: I shall place you in a high position over them on the Day of Judgement. Those people who follow the footsteps of Satan, they are those who witness the signs of Allah every day, but they conceal those clear signs which We sent down as well as the instructions which they have received to guide them to Allah (swt). After witnessing all signs and the truthfulness of My Messenger, they persist in creating disorder to hinder others from recognising this truth and moreover, they give partners to Allah. They give their idol, or chief or patron more importance and love that they should have for Allah. If only the unrighteous could see, behold, they would see their punishment. All power is in the Hand of Allah and **Annallaaha Shadiidul-Azaab** – *Allah is severe in punishment.* Upon them shall befall the malediction of Allah, that of the angels and of all people. They shall remain trapped in this curse for all times. Their punishment shall not be alleviated and they shall gain no respite.

O believers found in the Jamaat Ul Sahih Al Islam, remain sincere in your faith for **Wa innahuu lal-haqqu mir-Rabbik** – *This is the truth which comes from your Lord.*

Do not fear those who have rejected this truth. They are hypocrites, and fear Me alone so that I may complete My favour upon you; You shall follow the right path and the greatest favour that you have received is that We have sent to you Our Messenger who is from among you and he has come to recite to you Our verses, Our revelations, to purify you, and to teach you the Sacred Book and Wisdom and to teach you that which you knew not.

Therefore, you need to thank Me and do not become ungrateful to Me for the favour which I have sent to you. Seek My help with patience and through prayer, night and day and I (Allah) remain with the steadfast (those who are firm and have patience). I shall surely try you with fear, hunger, a decrease in your wealth, your family, your plantations, your jobs, and through your environment, but I give you this good news that those of you who are patient, upon you the firm believers I shall send My blessings and grace and it is you who follow the right path, who obey Allah and His Messenger and it is you who have deep love for Allah and the Messenger whom He has sent (to you); His Messenger.

And towards the end (of the Divine Message), I heard the following two verses in a state of weakness and where I was sweating a lot despite the cold (here in Mauritius):

Innaka Antat-Tawwaabur-Rahim.

Indeed, You are Oft-Returning with compassion and Ever Merciful (to us) .

Innaka Antal Aziizul Hakiim.

Indeed, You alone are the Exalted in Might, the Wise.

Divine Message received at 11.45 before midnight yesterday Thursday 28 June 2018 (In English):

While making *Zikr* and *Duah* about the development of the Jamaat Ul Sahih Al Islam around the world... How the message will spread? Very very few members are contributing in the finances (of the Jamaat), not making enough financial sacrifices and not doing enough *Tabligh*.

O Allah, we have a lot of work to do in the field of Your Jamaat Ul Sahih Al Islam. Then I felt very cold. My heart beat so quickly. Automatically, my eyes shut. At

that time I was in my office, not in the *Bait-ul-Zikr*. The Message came, the divine message, [Allah's message](#). Allah said:

“Qul Ya Khalifatullah, stand up and tell them My truth. The truth is coming from your Lord. It is your duty to tell them the truth. Don't be afraid. Whatever will come out endure it patiently. O Khalifatullah, if you do not deliver My message it will be a sin on your part. Stand up and say My truth.

What the ex so-called Amir (Amine Jowaheer) has done, very critical. He forges lies against the Lord of Hazrat Muhammad Mustapha (saw), the Eternal God. The Actual Amir is going on the same way to create Hate in the hearts of people in Jamaat Ahmadiyya and they have rejected all My signs and do not want to listen to Divine revelations. Severe punishment will befall them and also all those who have turned their backs after accepting and witnessing Divine Signs.

Say unto them: That these words are not yours. It comes from the Lord of Heaven and Earth. Say unto them: That Ahmadiyyat has a Khalifa elected by men, where Allah (God) has already appointed His Khalifatullah in their era, just after the death of the fourth Khalifa (late Mirza Tahir Ahmad). On the same day a group had taken the Bai'at in his hand. Fulfil the covenant of Allah when you have made one and break not your oaths after making them firm, while you have made Allah your surety.

O Khalifatullah, warn them and give them this message that the heritage of paradise has been transferred to another people, whom God will love and will give His help. Whosoever acts righteously whether male or female and is a believer, we will grant him a pure life; and we will surely bestow on such their reward according to the best of their work.

The Spirit of Holiness has brought it down from thy Lord with truth, that He may strengthen in their faith those who believe and as a guidance and glad tidings for Sahih al Islam believers.

- *Nasir Ahmad Sultani is a liar. He forges lies, that he has challenged My Khalifatullah and made Mubahila with him, and the Khalifatullah does not know that Nasir Ahmad Sultani has challenged him with Mubahila. Look how the result of Mubahila turned against him. He is in jail because he is not the true servant of God, (he is) a liar.*

- *Secondly, concerning Asad Shah, see what happened to him and when he decided to make proclamation and form a Jamaat that he is the Messenger of God, you know how he was finished. Like I have revealed in the Holy Quran, that if Hazrat Muhammad (saw) is a liar, he will be finished; just like Asad Shah was finished!*
- *For the Mubahila between Janbah and the Khalifatullah, Janbah also has got many humiliations, and his followers also. This is all the result of Mubahila.*
- *What the president Donald Trump is doing. Very very bad. Violent hate crimes against the great number of Muslims. This is the beginning of his end. The great battle of prayer of the Khalifatullah and his followers will make Donald Trump get great humiliation around the world.”*

Divine Message ended at 01.55am today Friday 29 June 2018.

Afterwards I felt very weak and went to perform my Tahajjud prayers. **May Allah help you all to follow His instructions and preserve your faith for the existing members of the Jamaat Ul Sahih Al Islam and to come towards the truth of Allah and His Khalifatullah for the Truth-Seekers, whether you are pious or are filled with sins as high as a mountain, because Allah is Ever Forgiving, Filled with Mercy and Compassion. Insha-Allah, Ameen.**
