

IN THE NAME OF ALLAH, MOST GRACIOUS, EVER MERCIFUL

A dear prayer for the muslim pilgrims (hajjis)

Jamaat Ul Sahih Al Islam

O Allah, the call has been given,
And Your servants are coming
to You,
To Your Glorious & Holy House,
To accomplish that very deed
which represents
The Ultimate proof of their love
and submission to You.
Submission to You in all humility is what
You seek,
And Forgiveness and Your Love and Mercy
Is what we seek;
Rush to Your servants, O Allah
And accept their Hajj;
Inspire their hearts to remain true to the
promise of
Reform throughout the rest of their lives,
And O Allah open my way to You,
So that the treasures of Your Kingdom may
be
Always at my reach,
To distribute to Your sincere and devoted
servants.
May they also accede to Your nearness,
And taste Your Love and

Give them the ability,
To communicate with You,
Their hearts connected with You,
And Yours with them,
And enlightened them, O Allah
To be truly submissive to You,
In all aspects of the word;
A Muslim am I, O Allah,
By Your Grace and Mercy;
Bless my Muslim brothers, sisters
and children,
Who have forsaken everything to
come to

Your Holy Ka'aba,
To accomplish the fifth pillar of Islam,
To accomplish such a worship,
Which shall *Insha-Allah* see to their
Glorious elevation in Your Sight and Para-
dise,
Be it in this world and the hereafter,
Forever.
O Allah, accept this plea,
And bless us all in Your way,
Under Your righteous Guidance,
And cherished in Your everlasting love,
And protect us always from the accursed
Satan,
And all forms of evils which exist within us,
And all around us. *Ameen.*
