

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

First Public Meeting of the Jamaat Ul Sahih Al Islam, Kerala

At Kodyathoor: June 11, 2011.

Kodyathoor is a village-town in North Kerala, with a 90 percent Muslim population. Muslims of various sects – *Sunnis, Mujahid, Jamaat-e-Islami, Anjuman Ishaat-e-Islam* and *the Ahmadis* have their presence in the place and they have a rich history of harmonious coexistence and spiritual dialogue and even intellectual confrontation.

On June 9th, our respected and dynamic brothers Abu Baker, K. Saleem and K. Abdul Hakeem reached the place and started their publicity campaign for the programme by distributing notices and pasting wall posters announcing the Meeting. On 10th June, Jamaluddin Raother Sahib, our Respected Amir of the Jamaat of Kerala reached the venue (from deep South). On 11th, our respected brother M. Muhammad Basheer Sahib came for the meeting despite his weak physical condition and illness. Our respected brother Dr. Thahir Sahib and his son, our respected brother E. Muhammad Siraj Sahib (from up North) reached the venue at the time of meeting.

The Meeting started with *Tilawatul Qur'an* by our respected brother K. Saleem Sahib. The in-charge of Publications, respected Abdul Hakeem Sahib welcomed the gathering and explained the context of the Meeting. The Amir Jamaat was chairing the session.

In his speech, Respected Jamaluddin Sahib talked at length about the spiritual phenomena of prophets emerging in every age and in every land and made references to the Indian/ Hindu Prophets as well. He recited Qur'anic verses (4:70, 3:82, 33:8) to drive home the point about the covenants Allah has taken from previous prophets and the blessings available to righteous believers in every age. He then cited the tradition of the Holy Prophet (pbuh) regarding the

appearance of Mujaddidin in every century. And he listed out the names of those Mujaddidin for every century (up to the 14th) listed by the Ahmadiis in their books. Amir Sahib concluded his speech by introducing the message of the new Mujaddid Hadhrat Munir Ahmad Azim Sahib of Mauritius and the spiritual titles that Allah, the Most High has bestowed on him in the last decade.

Respected Dr. Thahir Sahib, in his speech, dealt at length with the troubling issue of injustice in the Ahmadiyya Community. Drawing on his personal experiences, Dr. Thahir Sahib graphically portrayed the machinery of injustice that is prevalent inside the Ahmadiyya Community. The episode of his expulsion from the Ahmadiyya Jamaat, without any explanation or reason being offered for the same was brought to the attention of people. He, then, dealt with the latest Friday sermon of Khalifatul Massih V on the issue of *Khilafat and Mujaddidiyat* (which came only a day ahead of the Meeting – on June 10, 2011) and succinctly rebutted the presumptions and arguments of the Ahmadiyya Khalifa.

The Meeting was well attended by local people of the area. Around 150 people attended the Programme. The gathering had members of all denominations in the area. Amir Sahib concluded the Meeting by thanking everyone for their presence and patient attention to the speeches delivered on the occasion.

After the meeting, many local people came to interact with the Amir Sahib and Dr. Thahir Sahib, expressing curiosity and interest in knowing about the divine mission of the Khalifatullah. Journalists were also present in the gathering and they took note of the proceedings to report in the media.

The book of the Khalifatullah – *Hold Fast to the Rope of Allah* (which was translated into Malayalam and published by the Kerala Jamaat) was distributed along with other leaflets about the divine mission. [Audio/Video recording](http://www.jamaat-ul-sahih-al-islam.com/videos/PublicMeeting.html) (available on the following web address: <http://www.jamaat-ul-sahih-al-islam.com/videos/PublicMeeting.html>) of the Programme was also arranged.

Special mention must be made of the tireless efforts of our brothers K. Saleem Sahib, Abu Baker Sahib and K. Abdul Hakkim Sahib in taking care of the logistical aspects of the Programme. Muhammad Siraj Sahib was in charge of distributing our literature to every one who wanted to have a look at our message. And he has done a commendable job of it. *Alhamdulillah Summa Alhamdulillah*. In spite of his physical constraints, Muhammad Basheer Sahib came all the way to attend the Programme and to give moral support to the small team at work. May Allah reward them all for their sacrifices in taking the message of Allah in our times to the people in distant places. **Ameen.**

It was indeed a Divine Blessing that rain kept away from the Meeting all through the evening, in spite of the times being the rainy season in Kerala.

*May Allah bless our brothers, sisters & youth of the Jamaat Ul Sahih Al Islam that they may illumine others with the light of Allah through their dedication to Allah and His Messenger of this era,
Insh'Allah – Ameen.*
