

JAMAAT UL SAHIIH AL ISLAM Ramadhan & Eid-ul-Fitr 2011

By the grace of Allah, the Jamaat Ul Sahih Al Islam held several programs during the Holy Month of **Ramadhan** as well as for **Eid-ul-Fitr**, ranging from Daras Quran Classes to Social Works. The Reviver of Faith of this era, Hazrat Munir Azim Sahib (atba) has lengthily explained the Jamaat members that one of the purposes of the Jamaat is to help people integrate in society, to feel the close bond which exist between us, because we are all from God and in all of us is the essence of God.

The world as a whole is one family: the human family. Humanity brings people together as one, under the gaze of the Creator. Alhamdulillah, our brothers, sisters and children have all given each their contribution in their capacity so that the Holy Month of Ramadhan may go smoothly for us all as well as other people with the blessings of Allah.

These people were delightfully amazed to hear and read the Quran commentaries of the Khalifatullah of this era. They were thirsty to get to know more about Islam through the explanations of the Messenger of Allah. The brothers, as well as the sisters helped enormously in the fulfilment of this *Dawah* work, which culminated in a blessed meeting with Huzur (atba).

Ramadhan 2011: Ramadhan officially began after Maghrib. After Salatul Esha and Tarawee, there was the Darus Quran made by Huzur (atba) and before the members went home, there was the recitation of the attributes of Allah, 40 "Rabbana" duahs and other duahs.

The blessed mornings started with Salatul Tahajjud, Suhur, Salatul Fajr, Darus Quran and Darus Hadiths. Every Saturday and Sunday during Ramadan – after Zuhr prayers – there was the Darus Quran with commentaries till Salatul Asr.

Alhamdulillah every week there has been social work, especially the distribution of food to the poor (the Muslims and even with those of other religions). There has also been a visit in the Hospital (in the North of Mauritius) to see our sick brothers and sisters and children (Muslims and others) and to pray for them.

A special contribution of the Jamaat has been made also to Somalia, the African country touched by famine, drought and other diseases.

Eid-ul-Fitr 2011: Eid day began with Salatul Tahajjud, duahs, Salatul Fajr, Darus Quran and Darus Hadiths. Thereafter a collective breakfast composed of vermicelli had been served. While the ladies were busy with the preparation of the *Brianni* (special dish) for Lunch, the other members prepared the Bait'ul-Zikr for the official Eid Salat and Sermon of the Khalifatullah (atba). Thus, they put banderols, other additional mats and other decorations for this joyful moment.

At 08.35, people started coming, and the Eid Salat and sermon started at 09.00 and ended at about 11.15. After Mulaaqat and Eid wishes to one another, there has been a session of question and answers and good joyful talks while refreshments were being served.

Lunch was served by noon. The Jamaat made provision of two types of *Brianni* (meat and vegetarian) – meat for the members and vegetarian for the neighbours and *Dawah* contacts who are Hindus. After Zuhr & Asr prayers and towards 14.30 there was the distribution of a sweet dish (vermicelli), approx. 135 plates to all neighbours and *Da'wah*/Tabligh contacts and thereafter there was official visits to two Homes: Gandhi Ashram and the Saint-Jean de Dieu Home. In both homes, Huzur (atba) addressed the residents and staffs (at all levels) for about 15 minutes (in each place).

After Salatul Maghrib/Esha and Diner, there was the Darus made by Hazrat Khalifatullah (atba), followed by a Questions and Answers session. Thereafter, there was the recitation of the attributes of Allah, 40 "Rabbana" duahs and other duahs. After the program and get together (which ended at 22.00) on this blessed day, a refreshment was served and then everybody went back home.
