

*In the Name of Allah, the Most Gracious, the Most Merciful*

**ISLAM IS NOT OF THE DEVIL! THE THOUGHT AND ACT OF BURNING COPIES OF THE QURAN; IT IS THIS VERY THOUGHT AND ACT WHICH IS OF THE DEVIL!**

**Divine Revelation: “*Ya Khalifatullah! Qul: Innamaaa’ unzirukum bil-wahyi*”  
O the Vicegerent of God, tell them: ‘I warn you only by revelation.’**

The West has always been in mass to believe the worst of Islam. What they perceive to be erroneous and bad of Islam is only due to the Muslims’ non-respect to the teachings of the Holy Quran. But yet, is that all? Are all Muslims bad? Or do these hateful people’s message to the world is to attack the very honour and message of God through His prophets? The Jews and the Christians have since long forged a hateful relationship with Islam and its followers. They attack the very source of Islam in view to create ruckus among all Muslims of the world, bringing the world to a state of unrest, where peace is a distant memory!

### **Terrorism in Islam v/s terrorism in short!**

“And fight in the way of Allah with **those who fight with you**, and **do not exceed the limits**, surely **Allah does not love those who exceed the limits**. And *kill them* (that is, those of the unbelievers who starts a fight first) wherever you find them, and *drive them out from whence they drove you out*, and *persecution is severer than slaughter*, and do not fight with them at the Sacred Mosque *until they fight with you in it*, but **if they do fight you, then slay them**; such is the recompense of the unbelievers. But **if they desist**, then surely **Allah is Forgiving, Merciful**.” (Quran 2: 191-193)

Retaliation, it is that which God has taught when the enemies of Islam **have exceeded all limits**, when they are defiling the teachings of God, the same God which they (that is, the Jews and Christians) proclaim to love and fight for.

I quote the senior pastors of Dove World Outreach Center, Terry & Sylvia Jones: “*God has a plan for your life! And we want you to be able to recognize your destiny. God loves you and he longs for a real and deep relationship with you. He created you on purpose and it’s his desire that everyone knows and fulfills his calling....*”

*On 9/11/10 we are burning Korans to raise awareness and warn. In a sense it is neither an act of love nor of hate. We do not hate any people, however. We love, as God loves, all the people in the world and we want them to come to a knowledge of the truth. To warn of danger and harm is a loving act. God is love and truth. If you know the truth it can set you free. The world is in bondage to the massive **grip of the lies of Islam**.*”

Now, the two undersigned has taken a gamble with God. They say on one hand that God loves, which is absolutely true (as both preached by the Gospels and the Quran), but then, they would without hesitation go forward to burn copies of the Holy Quran as a sign of repelling its evil, an evil which they attribute to Islam, when Islam is of the same Almighty God who sent Jesus to the people of Israel to preach His unity and love.

But here in the above-mentioned quote, the two pastors refer to the teachings of Islam as being lies and of the devil when it is in fact people who either promotes the image of a religion or destroys it. It is a fact that terrorism has always existed, not just by so-called Muslims, but by so-called Jews, Christians and other people of various religious faith. In fact, all these religions (including Islam) do not preach killing as a way of life, but rather to defend one’s life, if one is attacked and have to retaliate! But terrorism is not an Islamic teaching and way of life.

Terrorism is terrorism, that's it! But the Jews and Christians have associated this word with Islam when Islam is **NOT** the cause for it. Islam is pro all previous religions for their essence is of God, no doubt about it! But yet, why the west, in particular the Jews and the Christians (the leaders among them) try to picture Islam as of the devil when it is not so?

God says in the Holy Quran:

**“The [only true] religion (way of life) in the sight of God is Islam”.** (Chapter 3, Verse 20)

### **What is Islam?**

Islam literally means complete submission to the Unique Lord, who is the Creator of the Heavens and Earth and everything that is found on Earth and all that which is found between the Heavens and Earth.

Islam is the natural religion of all human species on earth. Although Islam is the foundation of every religion since the creation of the Heavens and Earth, still then with time, this natural religion which was brought by every Prophet, Messenger, Reformer, Rishi, Avtar, Messiah, has been trampled to dust through time and time, over and over again.

All prophets have come to preach the existence of only one God. But with the erosion of time, man forgets his Creator and begins to worship his own idea of what is God, and thus he deviates from the true teachings of God's appointed prophets and loses himself in this material world, forgetting that one day, one would have to come back to one's Creator and give an account of his stay on this temporal world.

Thus, we know of some prophets who have come, Adam, Abraham, Ismael, Issac, Noah, David, Solomon, Moses, Jesus (peace be upon them all), only to name a few.

The Quran tells us: **“Say (O Muslims) ‘we believe in God, and the revelation given to us, and to Abraham, and Ismael, and Isaac, and Jacob, and the Tribes, and that given to Moses and Jesus, and that given to (all) Prophets from their Lord; we make no distinction between any of them; and we bow to God (in submission)’.** (Quran 2:137)

Abraham was a prophet and through his devotion and love for his Lord, earned the title of ‘Bosom Friend of God Almighty’. He called his people to only one God and became one of the greatest prophets that this world had ever witness and God blessed him with two sons, with the promise that both will become Prophets of God and that in their progeny also will get prophets of God. Thus the Ismaelites and the Israelites were formed with the arrival of the two sons of Abraham, and each of them preached the true message of God, inviting people to submit themselves completely to ONE God (that is, inviting them to: Islam). Among the Israelites, there came lots of prophets, true to the promise of God, till the arrival of Jesus, son of Mary (The pure Virgin, Mother of Jesus). And in the progeny of Ismael, there came the Holy Prophet Muhammad (peace be upon him) whose advent was foretold by the past prophets.

We must bear in mind that the Ismaelites and Israelites are both brothers, for they are the descendants of two noble prophets and they are traced till the Father of the Prophets, Abraham (on him be peace).

But unfortunately, with the erosion of time, people deviates from the right path and thus in the 7th century, true to God's Promise, He sent Muhammad (from the progeny of Abraham and Ismael) as the Seal of all the prophets and sent down upon him (through divine revelations) the Last Law-Bearing Divine Book, the Holy Quran, which holds all the true teachings of the past prophets (be it in the “Psalms of David – Zaboor”, the “Torah-Tauraat” and the “Gospels-Injeel”).

Through time the concept of God in the eyes of people had changed and people began to worship many false Gods besides the One True God. They even began to worship Abraham, who himself came from the One True God to preach the Unicity of God. Thus, when Almighty God sent Muhammad in Arabia (which held at that time the worst people of its time) to preach ISLAM, God clearly stipulated in the Holy Quran (which took 23 years to be revealed to the Holy

Prophet-Peace and Blessings of God be upon him) that **He (God) will preserve this Book (The Holy Quran) from any interpolation (which other revealed books have undergone) till the Day of Resurrection and that He (God Himself) now firmly named this religion ISLAM (The natural religion of man from his creation till the Day of Judgement)**. This promise of God and His declaration that He now names this religion ISLAM can be found in the 5th Chapter of the Holy Quran (Al-Maida).

Moreover, God says in the Holy Quran that He has raised His Prophet Muhammad as a **MODEL FOR ALL MANKIND** (not only to the Arabs, unlike the other people who came only for their people - their tribes!) and God made HIM (Muhammad – peace be upon him) a **BLESSING FOR THE WHOLE UNIVERSE**, not to a section of people like the previous prophets.

### Islam in the Bible

When we want to look for the word “Islam” in the Bible, we have to look for its translated meaning only, for “Islam” is an Arabic word whereas the words of the Bible are both of Ancient Greek and Hebrew origin.

In the Old Testament, we read about what God wants of His people:

“So now, O Israel, what does the Lord your God require of you? Only to fear the Lord your God, to walk in all His ways, to love Him, to serve the Lord your God with all your heart and with all your soul, and to keep the commandments of the Lord your God, and His decrees, that I am commanding you this day for your own well-being”. (Deuteronomy 10: 12-13)

These verses clearly state that God requires that we: fear Him, walk in all His ways, love Him, serve Him with heart and soul and keep all His commandments.

“Islam”, one word embodies what God want His servants to do: love wholeheartedly, and submit completely to Him (God).

God is fair and just. He does not want something for a section of His servants and another thing for the rest of His creations. Thus, all peoples of the world, whether they be Israelites, Arabs, Americans, Indians etc. are all from God and He is God for all of them; He is the Creator of them all. Thus, it is crystal clear that God wants man to be nothing but “Muslim” to Him. So why hate the very basis of the teachings of God which makes one a ‘Muslim’? All prophets of God and their original followers were ‘Muslims’ and did not have a problem with it. Why has now Islam become an obstacle when it was never one in the first place!

### Sayings of Jesus

“Submit yourself therefore to God”. (James Ch.4 V.7)

“My food is **to do the will of Him** who sent me and to complete His work”. (John 4:34)

“I can do nothing on my own, as I hear, I judge; and my judgement is just, because **I seek to do not my own will, but the will of Him who sent me**”. (John 5:30)

“**For whoever does the will of my father in heaven, is my brother and sister and mother**”. (Matthew 12:50) – It is clear from this verse that Jesus considers all real Muslims (truly submissive to God) as his brothers, sisters and mothers!

“Blessed is the man who fears the Lord, who finds great delight in His commands (Psalms 112:1). “Blessed are all who fear the Lord, who walks in his ways”. (Psalms 128:1)

“Blessed are the peacemakers, for they will be called the children of God”. (Matthew 5:9)

“... The Lord our God, the **Lord is One**; ...” (Mark 12:29) – **then why take Jesus as Son of God or God himself when this clearly contradicts the very saying and belief of Jesus!**

### **Verses of the Gospels about unity of God – trinity condemned – Jesus as Son of God condemned!**

(1) “I am the Lord your God ... You shall have no other gods besides Me. You shall not make for yourself an idol in the form of anything in heaven above or on the earth beneath or in the waters below. You shall not bow down to them or worship them”. (Exodus 20: 2-5)

(2) “... all the people of the earth may know that the Lord is God and that there is no other”. (I King 8:60)

(3) “Acknowledge and take to heart this day that the Lord is God in heaven above and on the earth below: There is no other”. (Deuteronomy 4:39)

(4) “... and believe Me and understand that I am He. Before me no God was formed, nor shall there be any after me. I, I am the Lord, and besides me there is no Saviour”. (Isaiah 43: 10, 11)

(5) “... There is no other God beside Me, a just God and a Saviour; there is no one besides Me. Turn to Me, and be saved, all the ends of the earth! For I am God, and there is no other. To Me every knee shall bow, every tongue shall swear”. (Isaiah 45:21-23)

(6) “... I am God, and there is no other, I am God, and there is no one like Me”. (Isaiah 46:9)

“But showing steadfast Love to thousands of those who love Me and keep My commandments ...” (Exodus 20:6)

### **Refutations to “the ten reasons to burn a Koran” by Pastor Terry Jones and his acolytes:**

#### **1. Jesus Christ is neither Son of God nor a divinity along with God:**

Everybody has freedom of faith. In fact the Quran says: “...No compulsion in religion.” (Chapter 2, V.257). So why impose your view of Jesus as Son of God upon people as a “must believe” when Islam preaches the truth of the messiahship and mission of Jesus, a humble, devoted and messenger of God? If he be Son of God, therefore should you then not be worshipping also Adam, who had both a fatherless and motherless birth? If Jesus be Son of God, then Adam surely is superior to him, both in creation and spirit. Ponder over this!

Moreover, although the Jews (whom Jesus was one among them!) persecuted the beloved prophet of God, Jesus (on him be peace) and even went to crucify him, but God through His plans made him escape death on the cross, so that he can go to fulfil his mission to the “lost sheep of the house of Israel”. He came in to verify the law of Moses; likewise Muhammad (peace be upon him) came to confirm the veracity of all previous prophets before his advent. God raised him for the whole mankind, whereas Jesus was sent only to the lost tribes of Israel.

Jesus was only a Messenger of God, and not God’s super-powered biological Son. Moreover, in the capacity of a prophet and messiah, Jesus has been sent to the Children of Israel only. He was not at any time meant to be a universal prophet. His message was only meant for the lost tribes of Israel. This fact is still available in the modern Bible where it quotes Jesus as saying: **“I am not sent but unto the lost sheep of the house of Israel.”** (Matthew 15:24)

Moreover, in the Bible itself, there is the mention that Jesus commanded since the beginning of the Divine Manifestation, commanded his disciples to preach the message of God only to the Children of Israel (that is, the Jews).

“These twelve Jesus sent forth, and commanded them, saying, Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not: ***But go rather to the lost sheep of the house of Israel.***” (Matthew 10:5-6)

Furthermore, if Jesus be the son of God, then are the Jews not right to state that it is Ezra the Son of God and that it is not Jesus who was to come but in fact it was Elijah who was to come for the people of Israel? Now, have they not persecuted to the extreme the beloved servant and messenger of God (Jesus) and cursed him to die on the cross? But God did not let that happen, and made plans to save Jesus, for no prophet comes from God and return back to him (through death) except when they have fulfilled their mission on earth. Though persecuted, and stigmatised, and brought to die on the cross, but he did not die on the cross! He was made to go and fulfil his mission to the lost tribes of Israel, not go bodily to the heavens! If Christians still await his coming to earth from the heavens, then they would continue to wait infinitely but Jesus son of Mary would not return back to earth in flesh and blood. Now, if Christians are awaiting the return of Jesus, are the Jews not right to have persecuted him and awaiting instead Elijah to descend on earth from the Heavens? So many spider webs both the Jews and the Christians have let to surround the teachings of their prophets and not done anything to go back to the original teachings of Moses and Jesus: the worship of only one God, their Creator, the Creator of Moses and Jesus, and all humans. But ISLAM has done it, bringing forward in the last law-bearing Holy Book all the clear commandments of the Creator, honouring not only Muhammad (peace be upon him) but also all the prophets of God.

## 2. The Quran is of Divine Origin:

- “(It is God) the Gracious, Who taught the Quran, He has created man...” (Quran 55: 2-4)
- “And you did not recite any Book before it, nor did you write one with your right hand; in that case the liars would have doubted.” (Quran 29: 49) – The Prophet of Almighty God neither knew how to read or write, thus the miracle of the Quran being revealed upon him!
- As the Quran has come to confirm all previous Holy Books, it is to be expected and understood that it will be in favour of the original teachings (not falsified ones) of previous holy books. The Quran says: “He (God) has sent down to you (the prophet) the Book containing the truth and fulfilling that which precedes it; and He sent down the Torah and the Gospel.” (3:4) – Thus the Quran confirms the original teachings of all previous prophets.

## 3. Quran’s teachings:

- If in your eyes the **preaching of the unity of God** equals to paganism and Arabian idolatry etc.; then be sure to know that it was also the message of Abraham, Moses and Jesus (and all prophets) for all of them as I explained above were Muslims!

## 4. Background of the Prophet of Islam & Information:

- If this is a criterion for your critics, I wonder how you would compute 1431 years (after the demise of the Prophet of Islam) to that of about 1930 years after the demise of Jesus. Do the Christians have the near-integral life story of Jesus (on him be peace) like the Muslims have of Prophet Muhammad (peace be upon him)? Time is a factor and through time the teachings passed on, but at what price? God says of the Quran: “**Surely We have revealed the Reminder (Quran) and We will most surely be its guardian.**” (15:10)

5. The modern Church cannot be respected. It has defiled the teachings of Jesus, taking him as Son of God, leading people astray by this belief. True Muslims are originally true Jews and Christians for we accept these prophets and have no doubt about their call to prophethood for the reform of their people. They were chosen by God and so was Muhammad (peace be upon him). If this is a cause for burning the modern Bible, the “new Testament” because of it has undergone interpolations, then would the Modern Christian World yell about the sanctity of the Bible, about burning one, when it is totally against the original laws of God? You say of Prophet Muhammad so many vile things and yet when you see how with the help of God and the revelation of the Holy Quran, he was able to reform a barbaric people in Arabia and these teachings reached all countries worldwide for his teachings were meant to be universal, one would wonder how such a man, who was analphabetic, how God became his greatest Teacher and taught him of the

unseen, a divine favour meant for His chosen ones. Jesus also had a very close bond with God and God loved him a lot, like all His prophets.

**6.** The same Quran which you view as totalitarian in nature, it is that very Quran which holds the solution to all problems, be them in the past and be them problems which the modern world is facing today. It is a book if one and all apply it, it will be source of light to them. Like I said earlier, the Quran cannot be held responsible for the acts of people. What bad people sometimes do in the name of Islam, the blame must not be put on this religion or the universal Divine Book, the Quran. Now would you proclaim that Christians are without faults? Now, now, how can you redeem your sins by saying also that Jesus had come to redeem your sins when on the Day of Judgement each servant of God will have to account for his deeds, whether they be good or bad? You say of the Quran is which completely false, biased and with a heart filled with hatred when you proclaim not to act in hate.

**7.** Islamic laws are for all humans, and have made provisions for their rights in every facet of their lives. Now, what is the use of 'democracy' in the face of divine commandments? Why democracy should be on competition with divine commandments? Now, the Christians would prefer the world to be Christianised and want the teachings of Islam to disappear, the why of awakening havoc by the mere mention of burning copies of the Holy Quran. But can you ever remove it from the hearts of the sincere servants of God? Can you erase the word of God when God Himself is the Guardian of His laws? Would you dare challenge God by burning copies of His Noble Quran? If you fancy getting burnt alive, then go and burn the copies of the Quran. The responsible parties behind this heinous act shall bear the consequences of their evil act. God will never let the criminals go unpunished.

It is unquestionable that Islam indeed recognises human rights, in fact from its very beginning, long before these ideas were developed and documented in its modern secular form by the West. Islam advocates human rights via the *Shariah* (Islamic Laws). These objectives include the establishment of justice, individual education and preservation of human welfare or interests by protecting and preserving the freedom of thought, worship, rights to property and preservation of the progeny. These constitute the inviolable principles of "human rights".

What many fail to understand is that Islam is the only religion that honours its followers to the utmost. Islam regards its adherents, both originally born Muslim as well as converts, as invaluable assets. Once they come to the fold of Islam, they stand equal. Therefore, the responsibilities, duties and rights of all Muslims are basically the same. Individually, they are equally entitled to achieve success in this world as well as salvation in the hereafter, guided by and within the restrictions set up by the *Shariah*.

Faith cannot be forced upon anyone. Islam is a peaceful religion and its true followers are peacemakers like Jesus mentioned (Matthew 5:9). If a religion is judged by its people, then should the church not be ashamed that its high priests have been charged on account of paedophilia? Shame, shame be upon them who were supposed to represent the church, the teachings of Jesus. Should then Muslims blame Jesus for the acts of these so-called priests? No! Certainly not! Then why blame Muhammad (peace be upon him) and Islam for what others do in the name of Islam which are against its very pure teachings?

#### **8. Apostasy:**

Islam prohibits renouncing one's belief in the most glorious of religions; indeed the perfect one. If Islam were to grant permission for Muslims to change religion at will, it would imply it has no dignity, no self-esteem. And people may then question its completeness, truthfulness and perfection. Apostasy means treason of greatest extent. Treason may not only be in political and military grounds but also to the sacrilege of one's honour or family honour. Thus, as Islam is the foundation of Truth and pure to its roots, treason therein, where the Muslims renounce their God-given faith, then this treason is greatly disapproved by God Himself and by His prophets and the believers.

Almighty God says in the Quran: *"They swear by Allah that they did not speak, and certainly they did speak, the word of unbelief, and disbelieved after their Islam, and they had determined upon what they have not been able to effect, and they did not find fault except because Allah and His Messenger enriched them out of His grace; therefore if they repent,*

*it will be good for them; and if they turn back, Allah will chastise them with a painful chastisement in this world and the hereafter, and they shall not have in the land any guardian or a helper.” (Chapter 9 Verse 74)*

Let's look at two examples of Apostasy or *Irtidad* in Islam:

(1) One where the person is born Muslim from Muslim parents and has lived with Muslim beliefs as regulators of his life. If such a person renounces his pure faith after knowledge and practice of Islam have been his guidance throughout his life, then such a person according to the laws of Islam merits that he be disregarded, and the Muslims must have no considerations for such a person, for Allah (Almighty God) had given him the perfect faith easily through birth, but he had not seized the golden opportunity given to him to perfect himself physically, morally and spiritually. Thus, if such a person apostates Islam and afterwards repents, this is better for him, for none has the right to judge the faith of man except Allah. Who knows, God may have accepted his repentance and forgiven him. But what is essential to know here is that the act of apostasy itself merits a punishment, but it is not for us humans to do it, when Allah has clearly stated that it is He who punishes or forgives His servants. If God is to punish the apostate, then He will surely like indicated in the verse find ways and means to punish him in this world itself, and in the Hereafter, his consequences will be more grievous.

(2) The second one is the person who is born in a non-Muslim family, with non-Muslims values, but afterwards accepts Islam and comes in contact with the true values as preached by Allah and His prophets. Such a person, if after having come to get the message of Islam and recognised the truth of it, and then renounces it afterwards, then this type of person is to be disregarded unless he repents. His repentance in this case, for he was not born with Muslim values, is to be accepted, but he must never revert back to apostasy after the clear message of Allah has come to him.

Islam is a religion which is not only tolerant, but peaceful, but if pushed to its limits, then, Islam recommends that refutations are to be made to defend one's life and honour. But what we must well bear in mind is that these rules regulate the Muslim World, Muslim countries which regulate the states therein with the Muslim Laws only. The laws of each country have to be respected, be it a Muslim country or a non-Muslim country.

Come what may a life is sacred, and in the Quran itself, we are taught to respect the religions of others, and if there be apostates in Islam in a non-Muslim country, then it is not our duty to take the law into our hands and go against the laws of the country. Some Muslim Scholars views the punishment of apostates from Islam as to being put to death. As it is, the Quran do not precise the actual putting to death of a *Murtad* (one who goes against his religion – Islam) but what is precise is his punishment (by Allah and not by man) in this actual life and his future punishment in the hereafter. Thus, foremost in such situations, the basic laws of the Quran are to be observed.

Religiously, morally and legally, man has no right to do wrong. But, Almighty God has given freedom to man to choose his path, but before letting him choose, Almighty God sends from time to time His prophets and messengers to guide him to the right path. If before the advent of a messenger, he finds death, then Almighty God knows best how to deal with him, but Almighty God has clearly stated that those who turn their backs to the divine messages after clear proofs have been sent to them, then their consequences will be grievous. They shall taste such a punishment which is according to their evils and turning away from the truth from Almighty God and ridiculing the prophets of God.

**9.** No fear:

Why fear Islam (submission to God – God is love)? The west fear terrorism, terrorists, not just people who take the name of Islam to hide behind their acts but they fear their own parties also who are criminals, terrorists, rapists etc. (the list is too long)

**10.** Now, now this is your wrong perception of people being forced to accept Islam. If one accepts a religion in fear, then it is between him and God. Islam cannot be blamed for it. You talked about the conquests made by Muslims, about massacres etc, now, what about the crusades? Was it preached by the Christian doctrines? Islam has always respected the rights of peaceful Jews and Christians which were not haters and dangerous enemies of Islam, who were not ready

to kill (even though to the eyes of the world they pass as loving people – but there are always a party of them who act like snakes in the grass! The concrete proof of it is you at the Dove World Outreach Centre and specially a certain Mr. Terry Jones, and also the creator/s of the website religionofpeace.com!)

So, all the Quran, Islam and Muhammad haters, bear in mind that according to the law of God, to each person his religion. Thus, do not impede on the sacred honour of Muslims by burning God's Holy Book, for if you think that its place is the fire, then how would you feel when the day comes and God decrees your eternal resting-place the fire of Hell. Indeed what a worst resting-place that would be. But before the fire of Hell touches you, then bear in mind that your punishment will commence in this very temporal life itself. Do not challenge God by burning His Book, or else you will be reduced to dust in no time at all!

If you are not convinced about that which I have warned you, if you dare, try burning a Quran (as from now on – after this warning), then it would be too late for you to say: 'O had I not challenged God and His Messenger, had I not burnt the Sacred Book of God!'...

This is the warning which I, the Messenger of God of this era give you before it is too late for you.

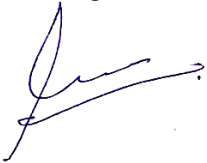

Come forward in a duel of prayer with me and my community, if you think you are great defenders of truth and can take actions to burn the Holy Book of God, the Quran.

As God the Almighty said in the Holy Quran Chapter 3 Verse 62:

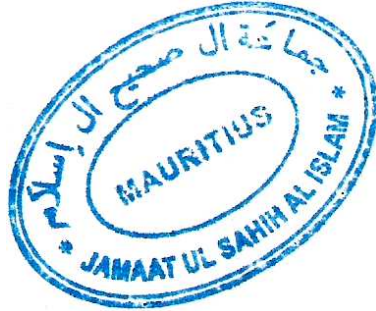

***“Let us summon our children and your children, our women and your women, ourselves and yourselves, then let us invoke Allah's curse upon the liars.”***

I wait for your response to this duel of prayer. No man in the power of tongue can either falsify or make disappear the Quran. Burning copies of the Quran which is the very words of God is tantamount as to challenge God Himself and thus is an abominable crime. You will never succeed in this abominable mission of yours. Almighty God will never let you be victorious in such a despicable act against our faith (Muslims' faith).

Come forward and reply to this challenge as soon as possible, signing your names. I give you 48 hours to reply to my challenge.
