*In the Name of Allah, Most Gracious, Ever Merciful*

## INTERVIEW ON THE BACKLASH AGAINST HOLY PROPHET MUHAMMAD (PBUH) AND HIS YOUNG WIFE, AISHA (RA)

In a recent live debate [on 26 May 2022] on the National Television involving the National Spokeswoman for the BJP Government of the Republic of India, Ms. Nupur Sharma, and BJP Delhi Media Head Mr. Naveen Jindal's comment in his twitter account [on 01 June 2022], the holiness of the marriage of the Holy Prophet Muhammad (pbuh) with his young wife Aisha (ra) was bitterly and angrily questioned and their characters assassinated.

The National Spokesperson is quoted to have said in the debate:

1. **“Don't talk rubbish, you run away with your flying horse [she said that several times].”**

She also argued:

2. **“May I make fun of your Qur'an? Earth is flat according to your Quran [88: 20].”**

She also said in a most venomous way:

3. **“You marry 6-year old girl and have immature [Naabalik] sex with her – who did it? Your Prophet Muhammad – may I start telling now?”**

Now, these comments have sparked great fury in the Muslim World for the way the holy marriage of the Holy Prophet of Islam to his youngest and virgin wife Aisha (ra) was portrayed. The Holy Prophet Muhammad (pbuh) was portrayed as a sadist who likes to have sex with the young girl, and did not even wait for her to reach a mature age of consent.

Furthermore, as of 01 June 2022, the Delhi Media Head Naveen Jindal is quoted to have said in his twitter account: **“I want to ask the relatives of the prophet,**

that your prophet marries at the age of 53 with a 6-year old little girl, Aisha, then at the age of 56, makes a relationship with 9 years old Aisha... Doesn't that relationship come under the category of rape...?"

Ya Khalifatullah, *Assalamu Alaikum Wa Rahmatullah Wa Barakaatuhu*. [The Khalifatullah replied: *Wa Alaikum Salaam Wa Rahmatullah Wa Barakaatuhu*].

**Great fury has spread in India and everywhere else in the [Muslim] World over this outrage and hate speeches and writings against Islam and our beloved prophet Hazrat Muhammad (pbuh) and his wife, Hazrat Ummul Mumineen Aisha (ra). What do you have to say on this situation?**

What I want the seekers of truth and the peacemakers and Muslims around the world to understand is that first of all, like Allah has established in the Holy Quran: **And do not insult those they invoke other than Allah, lest they insult Allah in enmity without knowledge. Thus We have made pleasing to every community their deeds. Then to their Lord is their return, and He will inform them about what they used to do.**

This verse is found in the Chapter Al-Anam of the Holy Quran. The Muslims must be very careful not to offend the religious beliefs and practices of the idol-worshippers as they will get a golden opportunity to spread their venom and hatred against Allah, His Holy Prophet Muhammad (pbuh), the beautiful religion of Islam and the sublime teachings of the Holy Quran.

Before coming on the heart of the subject-matter, I need to put this clear for the perpetrators of hatred against Islam that despite the earth being round, yet Allah has through His sheer will and power caused the earth to appear flat to His creatures and created gravity so that we do not fall or fly unto the sky without any bearing. When you walk upon the earth, what do you see? You see the round planet or the great extent of land which has been spread and even flattened for you to walk upon? In this is a great lesson for those who reflect!

Moreover, that woman talked about flying horses which is purely spiritual, for the journey of the Holy Prophet of Islam during the Isra and Miraj [i.e. his ascension] was only spiritual in nature. The *Buraq* is a heavenly creature, not a display of man-made idols which have been created by the hands of men and which are

worshipped instead of the Unique Creator. Moreover, the *Buraq* is not a god, or deserving of any worship! None deserves to be worshipped except the Creator of the Heavens and Earth as well as [the Creator of] Mankind. He is Unique, One, without any partner in His worship.

So, the Muslims must be very careful in representing Islam to the others for they will use erroneous interpretations of Islam to dirty Islam. But what Nupur Sharma and Naveen Jindal have said and written respectively against Islam and our Holy Prophet Muhammad (pbuh) and his blessed wife Aisha (ra) is beyond what we call civilised and is a great disrespect to one of the greatest founders of the greatest religions on earth.

The opposing party in the debate according to Nupur Sharma only termed their deity's Shivling as a fountain. But are the Hindus not aware of the origin of the Shivling, of the story of Shiva and the representation of the Shivling for all Hindu women? They are accusing the Holy Prophet Muhammad (pbuh) of being thirsty for sex and consuming his legal marriage to a young girl [in her puberty], but they forget the multiple wives which Prophet Krishna (as) had in his time. While we believe in all prophets of Allah, there is no doubt that Krishna (as) also and all other prophets who originated from Hindustan were polygamous. And they forget that India sports child marriage amidst the Hindus themselves since a long time.

But what they forget is that the Arab society in the times of the Holy Prophet Muhammad (pbuh) used to marry their children as soon as they have reached the age of puberty. Puberty was the indication that such and such was ready for marriage, and their parents and the society prepared them to bear this responsibility.

Do you [O enemies of Islam] find in the Holy Quran or in any book of narrations that Aisha (ra) was displeased with her marriage with the prophet? On the contrary she was proud that she was the wife of the prophet and his youngest most beloved wife. The Prophet of Allah took great pains to teach her the religion of Islam and all precepts and teachings and even declared to the believers to go and learn half of their faith with her.

So, what do you understand by rape? Rape is a serious word used for sexual abuse against one's consent. But if the Arab society at the time, if the parents and

even young Aisha (ra) did not object to her marriage to the Prophet of Islam, so what problem do the modern-day thoughts have to blacken the characters of both these pious people and great leaders of the men and women till the End of Times? Here I will not indulge in a debate on the age of Aisha (ra) at the time of the consumption of her marriage, whether she was 9, 11 or even 19 years old, but what is clear is that she was mature for her age and understood despite “playing with her dolls” that she was the wife of a great prophet and teacher.

Besides, a key element in the marriage of the Holy Prophet Muhammad (pbuh) to Aisha (ra) is that this marriage was ordained from none but Allah Almighty Himself. Aisha (ra) was shown to him by the angel Gabriel on three nights and she was portrayed as being his wife in this temporal world and the hereafter. And God Almighty opened the prophet’s way so that this divine promise and decree may be realised. This Hadith has been quoted in Imam Bukhari’s as well as Imam Muslim’s Books.

By accusing or raising the question of a prophet having raped a young girl, Mr. Naveen Jindal has exceeded all limits in his hatred against Islam. The same for Miss Nupur Sharma whose face, while saying all those ugly words against the Prophet of Islam and his holy wife, clearly depicted her immense hatred for Islam.

**Ya Khalifatullah, the present government of India have since these sad incidences expelled Mr. Jindal from their political party and his post and suspended Miss Nupur Sharma from her post as well. But the harm is done. The Muslim World stood up against this insult and demanded public apology from the Government of India and the accusers else they would apply boycott on all India’s products and their collaboration with India will be stopped. This caused a panic in the Government of India when all Muslims as one force demanded repair for the damage, and they had to comply. What do you have to say on this?**

What I say is that Muslims should be united like this, for united we will be bound to be victorious. This unity must not stop. This unity and this incident should open the eyes of the Muslim World that our enemies are trying through all means, through restricting *Hijab* wearing, through persecutions of the Muslims and restricting their rights in India and elsewhere in the world, to imprison the Muslims and render us weak and powerless. But we are not beggars in front of

the enemies of Allah. Those who respect Islam and its teachings, we respect them and harbour no ill-feeling against them for our *Deen* teaches us: **“Laa Ikraha Fid-Deen”** [There is no compulsion in matters of faith]. Our Beloved Prophet Muhammad (pbuh) has taught us to be noble, kind, and submissive to the will of Allah, but he has also taught us that when the enemies have exceeded all limits and our *Deen* and our lives and honour are in danger, then we should protect our faith, lives and honour and counterattack but in a dignified and exemplary way.

We should not act like barbarous people without any manner or education. We should put our trust in Allah and pray and at the same time we make the efforts to build Islam and not destroy it. The enemies are seeking every means to pitch Muslims against Muslims, because when they do so, they feel relieved that Islam is no more a threat to them. But when Muslims are united, they become fearful. This fear that Islam will overtake the world has caused them to befriend Muslim countries and people and to spread their anti-Islamic cultures to them causing the Muslims to love the modern way of life instead of the true way of life as depicted in the teachings of Islam. That is why Allah has repeatedly indicated that the teachings of Islam have been trampled to dust. Islam is in danger, not just from people outside the pale of Islam, but from the Muslims themselves who have portrayed Islam in a disgusting way.

If this hatred and fear against Islam have escalated today, it is partly because of the own faults of the Muslims who have accepted to trade their faith in return for the booties of this world. They have sold their Islam for a paltry price. So, it is wake-up time. The injustices against Islam and the Muslims should stop. Enough is enough!

India is planning forward to become an All-Hindu Authoritarian State but its constitution as of now does not permit it to crush the religious freedoms of the minorities, yet despite the laws already established, they have since long launched themselves into a campaign to crush the Muslims and force them out of India. They are slowly but surely executing their plans, and now it is for the Muslims to wake-up and see how their rights are being crushed.

Now that the Muslim World have woken up after their long sleep, we see how such anti-Islamic countries such as Holland have supported India and its two ex-spokespersons' comments against Islam. The hatred against Islam is growing. The

non-Islamic world wants to see the Islamic world at its feet, but *Insha-Allah*, they will not succeed. *Insha-Allah*, the Muslims will wake up and teach the true Islam. There is no use to spark hatred with hatred, but hatred will be countered with love, divine love which you spread to others, but if they attack you, then you should defend yourselves. It is not just an Islamic Law but it is also a Law of this modern-day world which is known as self-defence. If Allah is with you, everything is with you. If Allah is not with you, nothing is with you.

The words of the now ex-national spokespersons of the Indian Government are now coined as “fringe elements”, all because the Muslim World have dared to come together for a united common purpose. If this unity persists, no one can ever harm us [Muslims] or dare to hurt our religious feelings.

They asked creatures to forgive them but what they have done before the eyes of Allah is indeed grievous. Man can forgive but Allah will not forgive this calumny against His beloved prophet Muhammad (pbuh) whom He had sent as a Mercy for all the worlds. This case has now reached the Court of Allah, not the court of man. It is Allah Who will judge this situation and render His judgement clear for one and all. *Insha-Allah*. **Husbun-Allah wa nimal Wakeel, nimal Mawla wa Niman Naseer** [*Allah is Sufficient for us, and He is the Best Guardian; The Excellent Protector and The Excellent Helper*].

So, the Muslims should unite and seek the help of Allah, for like in olden times, Allah will be the One Who will stand up and take revenge for His True and Sincere Servants. Prayer is what is needed and the collaboration of all Muslims towards one same purpose, to stop the haters of Islam from harming Islam, to spread goodwill in the land and to come together as one united body to counter every attack on Islam and our beloved prophet Muhammad (pbuh).

If we want peace and harmony in this world, we should firstly be at peace with ourselves, and put the absolute trust in Allah that He will help us to help this world to submit to His will and not to those who hanker after the powers and evils of this world to finish the *Deen* of Allah. The evils of the evil-minded ones cannot harm the true believers.

O Muslims, Arise and Create a New World! Leave your attachment to this world and become truly for Allah. If you love Allah and His Prophet and His *Deen*,

become truly Muslims by cultivating the fear of Allah in your hearts and *Insha-Allah*, all problems that will come our way, we shall be able to tackle them with the best strategies which Allah will inspire to our hearts to establish His reign upon the earth. *Insha-Allah Ta'ala Al-Aziz*.

*Jazak-Allah* for your reply, Ya Khalifatullah. May Allah open the hearts of all Muslims and Humanity to the beautiful teachings of Islam, and that instead of hating Islam, they come to love its teachings and submit to the will of Allah. *Insha-Allah*.

*Assalamu Alaikum Wa Rahmatullah Wa Barakaatuhu*. [The Khalifatullah replied: *Wa Alaikum Salaam Wa Rahmatullah Wa Barakaatuhu*]
